How Effective Is Correctional Education, and Where Do We Go from Here? The Results of a Comprehensive Evaluation Lois M. Davis, Jennifer L. Steele, Robert Bozick, Malcolm V. Williams, Susan Turner, Jeremy Miles, Jessica Saunders, Paul S. Steinberg, 2014-02-28 Assesses the effectiveness of correctional education for both incarcerated adults and juveniles presents the results of a survey of U S state correctional education directors and offers recommendations for improving correctional education

Assessment, Evaluation, and Accountability in Adult Education Lilian H. Hill, 2023-07-03 This book is intended to help practitioners in adult education become better informed about assessment evaluation and accountability as these are critical functions of administering and running adult education programs The book is for adult educators who have been asked to serve on assessment committees produce detailed reports for funders and accreditors create a culture of assessment within their program and organization and or develop reports for accountability purposes Section one presents an introductory overview of assessment and evaluation in adult education Section two gives guidance on practices for specific areas of adult education practice such as military education human resource development and continuing professional education Section three provides assessment practices for adults in higher education with chapters dedicated to distance learning health professions education and graduate education

Teaching and Learning about Family Literacy and Family Literacy Programs Jacqueline Lynch, Esther Prins, 2021-12-30 This book provides a systematic exploration of family literacy including its historic origins theoretical expansion practical applications within the field and focused topics within family literacy Grounded in sociocultural approaches to learning and literacy the book covers research on how families use literacy in their daily lives as well as different models of family literacy programs and interventions that provide opportunities for parent child literacy interactions and that support the needs of children and parents as adult learners Chapters discuss key topics including the roles of race ethnicity culture and social class in family literacy digital family literacies family school relationships and parental engagement in schools fathers involvement in family literacy accountability and employment and more Throughout the book Lynch and Prins share evidence based literacy practices and highlight examples of successful family literacy programs Acknowledging lingering concerns challenges and critiques of family literacy the book also offers recommendations for research policy and practice Accessible and thorough this book comprehensively addresses family literacies and is relevant for researchers scholars graduate students and instructors and practitioners in language and literacy programs

The Myth of Achievement Tests James J. Heckman, John Eric Humphries, Tim Kautz, 2014-01-14 Achievement tests play an important role in modern societies They are used to evaluate schools to assign students to tracks within schools and to identify weaknesses in student knowledge The GED is an achievement test used to grant the status of high school graduate to anyone who passes it GED recipients currently account for 12 percent of all high school credentials issued each year in the United States But do achievement tests predict success in life The Myth of

Achievement Tests shows that achievement tests like the GED fail to measure important life skills James J Heckman John Eric Humphries Tim Kautz and a group of scholars offer an in depth exploration of how the GED came to be used throughout the United States and why our reliance on it is dangerous Drawing on decades of research the authors show that while GED recipients score as well on achievement tests as high school graduates who do not enroll in college high school graduates vastly outperform GED recipients in terms of their earnings employment opportunities educational attainment and health The authors show that the differences in success between GED recipients and high school graduates are driven by character skills Achievement tests like the GED do not adequately capture character skills like conscientiousness perseverance sociability and curiosity These skills are important in predicting a variety of life outcomes They can be measured and they can be taught Using the GED as a case study the authors explore what achievement tests miss and show the dangers of an educational system based on them They call for a return to an emphasis on character in our schools our systems of accountability and our national dialogue Contributors Eric Grodsky University of Wisconsin Madison Andrew Halpern Manners Indiana University Bloomington Paul A LaFontaine Federal Communications Commission Janice H Laurence Temple University Lois M Quinn University of Wisconsin Milwaukee Pedro L Rodriguez Institute of Advanced Studies in Administration John Robert Warren University of Minnesota Twin Cities

Immigrant Children and Youth Alberto M. Bursztyn Ph.D., Carol Korn-Bursztyn, 2015-07-14 Immigrants now comprise one fourth of the 75 million children in the United States The ability of today's immigrant children to become productively engaged adults hinges on their internal resources and mental health This book ascertains their psychological challenges and their often misunderstood needs This book is intended to inform both the general public and professionals working with immigrant children and adolescents about the importance and complexity of addressing their psychological issues and experiential challenges The work covers the topic of immigrant children's mental health from multiple perspectives while maintaining a focus on developmental needs and identifying the specific problems posed by linguistic and cultural transition The chapters present case studies and vignettes that serve to illustrate the topics providing vivid depictions of mental health issues and highlighting the importance of specific interventions As new immigrant groups continue to settle in the United States the social and emotional well being of their children has far reaching implications for the future of our society making this volume of critical significance to therapists educators policymakers child advocates and other audiences

The Handbook of Adult and Continuing Education Tonette S. Rocco, M Cecil Smith, Robert C. Mizzi, Lisa R. Merriweather, Joshua D. Hawley, 2023-07-03 Co published with Colleges and universities are increasingly becoming significant sites for adult education scholarship in large part due to demographic shifts With fewer U S high school graduates on the horizon higher education institutions will need to attract non traditional i e older adult learners to remain viable both financially and politically There is a need to develop a better corpus of scholarship on topics as diverse as what learning theories are useful for understanding adult learning How are

higher education institutions changing in response to the surge of adult students What academic programs are providing better learning and employment outcomes for adults in college Adult education scholars can offer much to the policy debates taking place in higher education A main premise of this handbook is that adult and continuing education should not simply respond to rapidly changing social economic technological and political environments across the globe but should lead the way in preparing adults to become informed globally connected critical citizens who are knowledgeable skilled and open and adaptive to change and uncertainty The Handbook of Adult and Continuing Education provides rich information on the contemporary issues and trends that are of concern to adult and continuing education of the programs and resources available to adult learners and of opportunities to challenge and critique the structures embedded in the field that perpetuate inequity and social injustice Adult education is a discipline that foresees a better tomorrow and The Handbook is designed to engage and inspire readers to assist the field to seek new paths in uncertain and complex times ask questions and to help the field flourish The Handbook is divided into five sections The first Foundations situates the field by describing the developments core debates perspectives and key principles that form the basis of the field The second Understanding Adult Learning includes chapters on adult learning adult development motivation access participation and support of adult learners and mentoring Teaching Practices and Administrative Leadership the third section offers chapters on organization and administration program planning assessment and evaluation teaching perspectives andragogy and pedagogy public pedagogy and digital technologies for teaching and learning The fourth section is Formal and Informal Learning Contexts Chapters cover adult basic GED and literacy education English as a Second Language Programs family literacy prison education workforce development military education international development education health professions education continuing professional education higher education human resource development and workplace learning union and labor education religious and spiritual education cultural institutions environmental education social and political movements and peace and conflict education The concluding Contemporary Issues section discusses decolonizing adult and continuing education adult education and welfare teaching social activism lesbian gay bisexual trans queer and straight allies gender and its multiple forms disability older adults and intergenerational identities race and ethnicity working class whiteness and privilege and migrants and migrant education The editors culminate with consideration of next steps for adult and continuing education and priorities for the future

Overview of Educational and Vocational Programs Fiscal Year ,2012

It'S Only Hell If You Make It That Way GV Profeta,2014-02-28 The book was originally designed to help those looking at doing time in the Federal Prison system but the author feels it may be read by anyone interested in how

life goes on behind the razor wire It deals with using your brain and not your muscle to make ones life easier while doing time It starts from being arrested to the day of release The legal ways to survive and the not so legal ways are all talked about in this book The author writes about who really runs the zoo and how one can fly under the radar so as to not be targeted by those looking to take advantage of the weak Genetic Enhancement in Major Food Legumes Kul Bhushan Saxena,Rachit K. Saxena,Rajeev K. Varshney,2021-09-28 The protein molecule is the basic building block of every living entity Its deficiency leads to restricted growth and development of individuals Globally such malnutrition is on the rise due to various reasons such as rapid population growth stagnation of productivity and ever rising costs Millions of people especially in developing and under developed countries suffer from protein malnutrition and the only possible solution is to encourage farmers to grow high protein food legume crops in their fields for domestic consumption This however could be possible if farmers are provided with new cultivars with high yield and resistance to major insects diseases and key abiotic stresses The major food legume crops are chickpea cowpea common bean groundnut lentil pigeonpea and soybean Predominantly the legume crops are grown under a subsistence level and therefore in comparison to cereals and horticultural crops their productivity is low and highly variable The crop breeders around the globe are engaged in breeding suitable cultivars for harsh and changing environments but success has been limited and not up to needs With the recent development of new technologies in plant sciences efforts are being made to help under privileged farmers through breeding new cultivars which will produce more protein per unit of land area In this book the contributors analyze the constraints review new technologies and propose a future course of crop breeding programs in seven cold and warm season legume crops 2014 GED Test Curriculum Blueprint GED Academy,2013-02-27 **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2014: Department of Labor FY 2014 budget justifications** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2013 Peas and Beans Anthony J Biddle,2017-07-28 This practical book provides an accessible overview of all aspects of pea and bean production including botany and physiology breeding agronomy weed management pests and diseases harvesting nutritional value and uses It also reflects on the constraints and opportunities in the future for peas and beans exploring their role in food sustainability and crop rotation and various factors affecting supply and demand such as climate change and breeding technologies Peas and beans are crops of economic social and agronomic importance and this volume provides the specialist knowledge needed to ensure good quality standards are met Authored by a recognized authority with extensive experience in applied research this book is an ideal resource for practical agronomists advisors and producers extension workers horticulture students and all those involved in the production of peas and beans
