Nuclear Command and Control in NATO S. Gregory,1995-12-18

For more than forty years NATO premised its defence on credible nuclear deterrence Underwriting this deterrence was NATO s strategy and the nuclear weapons and command and control systems intended to make the strategy an operational reality This book examines NATO s attempts between 1952 and 1990 to achieve the political and military control of nuclear weapons operations in a multinational organisation By using case studies of US British French and NATO nuclear weapons operations and empirical evidence from Cold War crises it provides an analysis of NATO s experience and offers insights for the present day

All In Paula Broadwell,Vernon Loeb,2012-01-24 General David Petraeus is the most transformative leader the American military has seen since the generation of Marshall In the New York Times bestseller *All In* military expert Paula Broadwell examines Petraeus s career his intellectual development as a military officer and his impact on the U

S military Afforded extensive access by General Petraeus his mentors his subordinates and his longtime friends Broadwell reported on the front lines of fighting and at the strategic command in Afghanistan to chronicle the experiences of this American general as they were brought to bear in the terrible crucible of war All In draws on hundreds of hours of exclusive interviews with Petraeus and his top officers and soldiers to tell the inside story of this commander s development and leadership in war When Petraeus assumed command in Afghanistan in July 2010 the conflict looked as bleak as at any moment in America s nine years on the ground there Petraeus s defining idea counterinsurgency was immediate put to its most difficult test the hard lessons learned during the surge in Iraq were to be applied in a radically different theater All In examines the impact in Afghanistan of new counterinsurgency as well as counterterrorism strategies through the commands of several Petraeus prot g s Broadwell examines his evolution as a soldier from his education at West Point in the wake of Vietnam to his earlier service in Central America Haiti Kuwait Bosnia and Iraq All In also documents the general s role in the war in Washington going behind the scenes of negotiations during policy reviews of the war in Afghanistan in Congress the Pentagon and the White House Broadwell ultimately appraises Petraeus s impact on the entire U S military Thanks to this man s influence the military is better prepared to fight using a comprehensive blend of civil military activities As America surveys a decade of untraditional warfare this much is clear The career of General David Petraeus profoundly shaped our military and left an indelible mark on its rising leaders Reports and Documents United States. The Functional Fire Company J. Scott Thompson, 2019-01-14. Scott Thompson author of The Functional Fire Company says the functional fire company concept was

not created but realized I realized after many attempts at trying to view success in the organization from the top down that it wasn't possible. Real indicators of success in the fire service come from the bottom up. A fire department's success is best judged at the company level. Many leaders and senior members have been taught the how but not the why and they don't understand the reasons for doing what they do. Thompson says, "Because firefighting is such a technical activity we must ensure that we are explaining why we do things while we demonstrate the how." It is essential that we develop critical thinking for solving fire suppression, rescue, and EMS problems.

WHAT OTHERS ARE SAYING

Chief Scott Thompson combines his decades of experience and years of observation with today's leadership skills and provides a path for the successful fire department to follow. The Functional Fire Company will take you step by step from being an ordinary fire department to one which defines excellence.

Rick Lasky, Fire Chief, Ret. Texas: "I found both motivation and a guide to implementation in this book. Chief Thompson has provided a deep resource for all ranks from creating culture to setting up training structure. I highly recommend this book to anyone with aspirations of making an organizational impact."

Brian Brush, Chief Thompson has spent his entire career focusing on training and organizational effectiveness. The Functional Fire Company is his life's work wrapped up into a playbook which offers insight into how to make your organization perform at maximum proficiency. Experience, perspective, and a never-quit mentality are evident as Chief Thompson provides a unique view to solving problems in the modern-day fire service.

Terry McGrath, Assistant Chief, Lewisville TX Fire Department: "This book offers a living, breathing example that Chief Thompson's principles truly work. I hope you get as much value from this book as we have received from Chief Thompson's lessons and that you take what you learn back to your organization."

Garrett Rice, The Colony Fire Department TX Battalion Chief: "A Shift."

Strategic Writing for UX

Torrey Podmajersky, 2019-06-12: "When you depend on users to perform specific actions like buying tickets, playing a game, or riding public transit, well-placed words are most effective. But how do you choose the right words? And how do you know if they work? With this practical book, you'll learn how to write strategically for UX using tools to build foundational pieces for UI text and UX voice strategy. UX content strategist Torrey Podmajersky provides strategies for converting, engaging, supporting, and re-attracting users. You'll use frameworks and patterns for content methods to measure the content's effectiveness and processes to create the collaboration necessary for success. You'll also structure your voice throughout so that the brand is easily recognizable to its audience. Learn how UX content works with the software development lifecycle. Use a framework to align the UX content with product principles. Explore content first design to root UX text in conversation. Learn how UX text patterns work with different voices. Produce text that's purposeful, concise, conversational, and clear."

Computerworld, 2005-05-23: "For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site, Computerworld.com, twice-monthly publication, focused conference series, and custom research form the hub of the world's largest global IT media network."
