When Presley Christensen returns to Whiskey Creek with her little boy after two years away she has completely changed her life. Now she's back in the small town that was the closest thing to home she ever knew the town where she can be with the sister who's her only family. There's just one catch. Aaron Amos still lives in Whiskey Creek at least until he moves to Placerville to open a branch of the Amos brothers auto body shop. And no matter how hard she's tried Presley hasn't been able to get over him. Seeing him again makes the longing so much worse. But she hopes she can get through the next few months because she can't fall back into his arms or his bed. She's come too far to backslide now. And there's a secret she's been guarding a secret she'll do anything to protect.
