Take Heart Hillsong:

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church Hillsong is one of the most influential visible and in some circles controversial religious organizations movements of the past thirty years Although it has received significant attention from both the academy and the popular press the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social cultural political spiritual and religious milieus it inhabits This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives In doing so it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries

Blinded by the Light Robbie Hift, 2020-04-22 The auditorium was packed with hundreds of people young and old mostly casually dressed and there was this huge shout of joy bubbling up from all the rows of people Children running in the aisles and having a great time and the band was playing really loudly Oh Man It was so alive and free It felt like I was coming home after a long journey through a dry and thirsty desert Something inside me just cracked up after all those months of pain and suddenly I

found myself weeping uncontrollably in the back row of this living church This was a new revelation and it lived and breathed the joy of God s Holy Presence Over the last thirty years I have met many men and women who have had a wondrous and powerful experience in which they have personally been confronted by God in such amazing ways that their lives have changed forever This is a true story written as a novel and it began many years ago in the little seaside town of Jeffreys Bay which became famous as a surfing paradise because of its powerful waves a fisherman s dream because of its fantastic fish and a village which has become a holiday destination for the rich and famous Church Diversity Scott Williams,2011-04-01 Diversity in the Church Matters to God The local Church is the hope of the world Dr Martin Luther King Jr said it best over 45 years ago We must face the sad fact that at 11 o clock on Sunday morning when we stand to sing we stand in the most segregated hour in America What an unfortunate reality that many still face today Have you ever been asked the question Is your church a white church or a black church No it s God s Church Church Diversity discusses topics such as How we can begin to implement change today What key insights strategies and practical tips can help Who are the leading voices in diversity and what can they teach the Church This resource is a tool to foster the tough conversations and encourage decision making to change the face and heart of the Church There is already a community out there passionate about this topic and moving the Church forward Hundreds of them uploaded their photos and can be seen throughout the pages of this book Their twitter names are also included so you can begin connecting with them today WE ARE CHURCH DIVERSITY Whatever racial woes we face in America they cannot be dealt with by politicians or Washington D C but rather by the local church help our nation navigate through this critical and much needed conversation on race J C Watts Jr Former Member of Congress Scott Williams is ever seeking to see this gift opened and embraced His book like his life and ministry is an invitation to the most rewarding of all human journeys Jim Hanon Writer Director End of the Spear *Christian Congregational Music* Monique Ingalls,Carolyn Landau,Tom Wagner,2016-05-23 Christian Congregational Music explores the role of congregational music in Christian religious experience examining how musicians and worshippers perform identify with and experience belief through musical praxis Contributors from a broad range of fields including music studies theology literature and cultural anthropology present interdisciplinary perspectives on a variety of congregational musical styles from African American gospel music to evangelical praise and worship music to Mennonite hymnody within contemporary Europe and North America In addressing the themes of performance identity and experience the volume explores several topics of interest to a broader humanities and social sciences readership including the influence of globalization and mass mediation on congregational music style and performance the use of congregational music to shape multifaceted identities the role of mass mediated congregational music in shaping transnational communities and the function of music in embodying and imparting religious belief and knowledge In demonstrating the complex relationship between traditional and contemporary sounds and local and global identifications within the practice of congregational music

the plurality of approaches represented in this book as well as the range of musical repertoires explored aims to serve as a model for future congregational music scholarship

Help Me Help You Brian Petree, 2020-03-06 **Help Me Help You** is a culmination of lessons learned on one man's journey to grow in the grace and knowledge of Jesus. Inside are tips and tactics from a self-professed knucklehead prodigal turned evangelist. Insights developed through life experiences as a rebel, prison guard, SWAT operator, middle school teacher, college professor, youth director, and single parent are presented in a relatable way to help anybody get better at winning the battles in their mind. Our spirits must be fed just like our bodies. This book will help you identify and enjoy the all you can eat buffet of soul food that is out there for you. **Billboard**, 2011-04-02 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends.

The Spirit and the Song Steven Félix-Jäger, Chris E. W. Green, 2024-09-16 **The Spirit and the Song: Pneumatological Reflections on Popular Music** explores pertinent pneumatological issues that arise in music. It offers three distinct contributions: first, it asks what, if anything, music tells listeners about God's Spirit-ness. Can the experience of music speak to human spirit-ness, the world's transcendence, or a person's own self-transcendence in ways nothing else does, or can? Second, this book explores how the Spirit functions within and even determines culture through music. Because music is a profound human expression, it can find itself in a rich dialogue with the Spirit. Third, and finally, this book explores the contested status of music in Christian spiritual traditions. It deals with music as inspired by the Spirit, music as participation in Spirit-ness, and music as temptation of the flesh. As such, this book also engages music's placement in Christian spiritual traditions. The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music. **Billboard**, 2011-04-02 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform.
