Call to Honor Tawny Weber, 2017-01-31 A Navy SEAL investigates a single mother while looking for a traitor in this romantic suspense by a New York Times bestselling author No man left behind is inscribed in the DNA of every SEAL and Lieutenant Diego Torres is no exception But with a team member killed and the body missing Diego's honor is sorely tested Now his career and reputation are on the line and a traitor is hiding among them Diego wants answers and only one woman has them Single mom Harper Maclean has two priorities raising her son Nathan and starting a new life Her mysterious new neighbor may be impossibly charming but Diego asks too many questions about her past and about the father of her child Questions she fears will reveal her burning attraction for Diego and ultimately put them all in danger's path *Rage for Fame* Sylvia Morris, 2014-04-01 A NEW YORK TIMES NOTABLE BOOK Her technique was simple aim for the top an envious colleague wrote of Clare Boothe Luce No American woman of the twentieth century aimed so accurately or rose so far as this legendary playwright politician and social seductress Born in New York's Spanish Harlem with nothing to recommend her but beauty ferocious intelligence and dry wit she transformed herself into the youthful managing editor of Vanity Fair She married two millionaires and wrote three Broadway hits including the biting satire *The Women* Her second husband Henry Luce the publisher of Time Fortune and later at her suggestion Life was only one of the dozens of men she entranced Adding politics and power to journalism and drama Clare used sex street smarts acid humor and money to plot a career more improbable than anything in her own fiction Not content with mere wealth and the acclaim of transatlantic café society Clare Boothe Luce confessed to a rage for fame This extraordinary book the result of more than fifteen years of research by Sylvia Jukes Morris her chosen biographer tells how she achieved it Praise for *Rage for Fame* A model biography the sort that only real writers can write Gore Vidal *The New Yorker* The riveting first part of a two volume biography Relentlessly candid meticulously documented Morris's book traces Clare Boothe Luce's rocketing rise from illegitimacy and poverty to wealth power and fame Hartford Courant Powerful and resonant admiring at times always critical at times searing but ultimately fair *The Philadelphia Inquirer* Crammed with enough drama for several mini series *The New York Times* An important book about an important figure a stunning feat of biography *Forbes* A dishy biography that is also a formidable work of research *Slate* One of those rare books where the reader dreads the final page *Newport News Daily Press* **The Vassar Miscellany Monthly**, 1920 **Facing the Beast** Naomi Wolf, 2023-11-09 From New York Times bestselling author Naomi Wolf *Facing*

the Beast is a devastating detailed account of wrongthink deplatforming and an unexpected political personal and spiritual transformation that followed during one of the most divisive times in American history In this uncompromising investigation into today s most urgent issues Naomi Wolf uses her own wildly politicized pilgrimage from New York Times bestselling author and high level Democratic consultant to a journalist cast out from the elite political and social circles she once moved through as a stunning narrative framework that is both chilling and incisive Wolf s sin Doing the job that good journalists once prided themselves on asking questions challenging authority and during one of the most politically divisive moments in modern history exposing the many failures of the public health response during the COVID 19 pandemic by chronicling the dangerous descent of our democracy into tyranny censorship and totalitarianism Unable to remain silent in the shadows and unwilling to collude with the mainstream Wolf bravely covers topics that few other writers dare to address critically for fear of being deplatformed Facing the Beast explores reproductive rights medical freedom the uncaring thought policing of the progressive left the Second Amendment the criminal relationship between the FDA and Pfizer Wolf s clear writing repeatedly shines light in the dark corners of our fractured society A decades long champion of free speech freedom of the press and the Constitution Wolf found herself not only in the midst of a political rebirth but a spiritual transformation as well one in which the events of the day could only be described in terms of good evil and a metaphysical quest on the nature of reality For readers of Matt Taibbi Glenn Greenwald and Bari Weiss Facing the Beast is a fearless indictment of legacy media and the political class as well as a brutal reminder that searching for and defending the truth can be dangerous Naomi Wolf is one of the bravest clearest thinking people I know The reason you hear the forces of repression so desperately trying to dismiss her is because she is right Tucker Carlson

Being Modern in China Paul Willis,2019-11-11 This book analyses modernity and tradition in China today and how they combine in striking ways in the Chinese school Paul Willis the leading ethnographer and author of Learning to Labour shows how China has undergone an internal migration not only of masses of workers but also of a mental and ideological kind to new cultural landscapes of meaning which include worship of the glorified city devotion to consumerism and fixation upon the smartphone and the internet Massive educational expansion has been a precondition for explosive economic growth and technical development but at the same time the school provides a cultural stage for personal and collective experience In its closed walls and the inescapability of its scores an astonishing drama plays out between the new and the old with a tapestry of intricate human meanings woven of small tragedies and triumphs secret promises and felt betrayals helping to produce not only exam results but cultural orientations and occupational destinies By exploring the cultural dimension of everyday experience as it is lived out in the school this book sheds new light on the enormous transformations that have swept through China and created the kind of society that it is today a society that is obsessed with the future and at the same time structured by and in continuous dialogue with its past *Reading Grade 3*
