

A muscular man with a well-defined physique is posing for a bodybuilding photo. He is shirtless, showing his chest, abdominal muscles, and arms. He is looking slightly to the right with a serious expression. The background is dark and textured, possibly a studio backdrop. The lighting highlights the contours of his muscles.

Gaydar Culture Sharif Mowlabocus, 2016-04-22 Popular culture has recognized urban gay men's use of the Web over the last ten years with gay Internet dating and Net cruising featuring as narrative devices in hit television shows. Yet to date the relationship between urban gay male culture and digital media technologies has received only limited critical attention. Gaydar Culture explores the integration of specific techno-cultural practices within contemporary gay male sub-culture. Taking British gay culture as its primary interest, the book locates its critical discussion within the wider global context of a proliferating model of Western metropolitan gay male culture. Making use of a series of case studies in the development of a theoretical framework through which past, present and future practices of digital immersion can be understood and critiqued, this book constitutes a timely intervention into the fields of digital media studies, cultural studies and the study of gender and sexuality.
