Histerotica: The Complete Collection Evelyn Ellis, 2022-03-28 From medieval England to America's Swinging Sixties Histerotica is the complete collection Evelyn Ellis's erotic stories of taboo couplings and innocence lost Her stories explore fertility blood ties sex that is off limits older man younger woman seductions and the intensity of the burn when passion is let off the chain The heroines are virgins meeting lust for the first time Their instructors are older men mad doctors evil landlords filthy teachers and dirty but delicious uncles These are erotic adventures of taboo seductions and sizzling romance vividly presented in consensual scenes of carnal discovery that will set you on fire *Acid Bath* Nancy Herndon, 2014-04-01 Elena Jarvis is an officer committed to her duty at the Los Santos Texas Department of Crimes Against Persons Not that anyone is helping her there not when her ex husband is in the next room her boss treats her like a little girl and her partner thinks women shouldn't leave the kitchen Elena always knew there would be obstacles in her job she just figured they would come from the criminals When an erotic poet accuses his ex wife Sarah of trying to murder him with an exploding escargot Elena has doubts of the reality of the crime But the more she learns about their nasty divorce the more she begins to side with Sarah until she finds the poet's body decaying in a bathtub filled with more than just water Before the acid eats away all the evidence Elena must put aside her sympathies for the victimized ex wife and get down to the bare bones of this murder before someone else becomes the next victim *Resources in Education*, 1989-10 *Document Retrieval Index*, 1974

The Nude Richard Leppert, 2018-05-04 The Nude explores some of the principal ways that paintings of the nude function in the conflicted terrain of culture and society in Europe and America from the fifteenth through twentieth centuries as set against questions about human sexuality that emerge around differences of class gender age and race Author Richard Leppert relates the visual history of how the naked body intersects with the foundational characteristics of what it is to be human measured against a range of basic emotions happiness delight and desire fear anxiety and abjection and read in the context of changing social and cultural realities The bodies comprising the Western nude are variously pleased or tormented ecstatic or bored pleased or horrified In short as this volume amply demonstrates the nude in Western art is a terrain on whose surface is written a summation of Western history its glory but also its degradation Technical Report of the Commission on Obscenity and Pornography United States. Commission on Obscenity and Pornography, 1971

Maximum Rocknroll, 1995-07 **The Rise of the Automated Aristocrats** Mark Hodder, 2018-06-04 Time is twisted worlds are changed and fates are intertwined in this thrilling final chapter of the Burton Swinburne Adventures from Philip K Dick Award winning author Mark Hodder In 1890 the renowned adventurer and explorer Sir Richard Burton could sense his impending death Until he was suddenly alive young and strong in the year 1864 a past that he remembers well but which is definitely different from what he previously lived through Burton's amazement is heightened when he is reunited with his loyal friend the eccentric poet Algernon Swinburne who is equally nonplussed at being somehow transported into his former

self at the moment of death Before long Burton and Swinburne joined by many of their brave compatriots find themselves once again being pulled to and fro by the streams of time in an adventure that may decide the fate of humanity For while Burton Swinburne and company have employed time travel to save the empire and her subjects that technology has now fallen into the wrong hands England s ruling class are transforming Burton and Swinburne s beloved England into a nightmare where those in power along with their merciless clockwork enforcers oppress and enslave the masses And now Burton and his friends will have to find a way to heal the damage time travel has done to the world if they are ever going to save it

The War for the Public Mind Robert J. Goldstein,2000-03-30 From 1815 to 1914 European governments and their political oppositions were engaged in a constant war for the minds of the general population especially the working classes The German socialist newspaper Hamburger Echo declared on September 27 1910 In waging our war we do not throw bombs Instead we throw our newspapers amongst the masses of the working people Printing ink is our explosive The most comprehensive study ever published about European censorship practices during the 1815 1914 period this book discusses the censorship of books newspapers caricatures theater and film through an analytical introductory survey and six chapters by leading specialists who summarize 19th century censorship practices in the six major countries of continental Europe Germany Italy France Austria Russia and Spain As a result of the massive transformation of European life in the post Napoleonic period and the simultaneously rapid growth in industrialization urbanization literacy transportation and communication the average European emerged quite suddenly as a potential player who could no longer be ignored by the ruling elite

Sexual Assault and Abuse Robert E Hess,Carolyn F Swift,2013-04-15 Prevention of a chronic societal problem such as sexual victimization requires looking beyond individuals to the systemic factors that maintain the problem Sexual Assault and Abuse addresses the need to change social and cultural beliefs and practices that permit the sexual victimization of women and children Potential rapists and victims are viewed within the context of the social and cultural factors that shape sexual behavior The book discusses rape prevention approaches ranging from changing individuals and groups to changing the social and cultural factors that permit and promote sexual victimization Research in the social sciences in education and in the media documents the promise as well as the problems with efforts to change social and cultural beliefs and practices to create a sexually safe society Sexual Assault and Abuse integrates recent advances in research on sexual assault and prevention into strategies to prevent sexual victimization with a focus on the role of sociocultural factors In Sexual Assault and Abuse editor Carolyn F Swift brings together authors who thoughtfully examine the perpetrators and victims of sexual assault abuse in an effort to change or obliterate sociocultural factors which maintain or promote this behavior Topics covered include the sociocultural context of sexual assault abuse the need to develop multiple level prevention programs development of sexually abusive behavior in men and boys the relationship between pornography and sexual assault abuse the need for culturally sensitive prevention programs the significance of sexual

revictimization in the lives of African American women an ecological approach to the prevention of sexual harassment utilization of social science research to develop public policy on pornography use of public information campaigns to prevent intrafamilial child sexual abuse within Hispanic families Sexual Assault and Abuse identifies sociocultural risks associated with sexual assault abuse and explores ways to reduce these risks from a prevention perspective for diverse populations Risks addressed include gender inequities pornography worksites hostile to women previous victimization in African American females sexist and racist beliefs and media violence against women Prevention programs range from interventions to stop the development of sexually abusive behavior in boys and men through programs that take account of ethnic diversity in language history and culture to those that promote empowerment of women By addressing the environmental context in which sexual assault occurs the authors in Sexual Assault and Abuse broaden their focus to incorporate both potential perpetrators and potential victims in an ecological perspective which permits new approaches to prevention This book is of special interest and value to academics and practitioners of psychology psychiatry and social work therapists and counselors women s studies professionals sociologists anthropologists feminists rape crisis center staff and volunteers and battered women center staff and volunteers

Polish Sexual Revolutions Anna Dobrowolska,2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region
