The Secular Squeeze John F. Alexander, 2005-02-28 The real problem with secularism It's boring Christians have for decades lamented the secularism of the modern world Often secularization is seen as a fierce malevolent force out to devour everything in its path But John Alexander suggests the real danger of secularism is that it is empty and shallow it has squeezed the world flat Modern secular culture has produced people who see themselves as little more than highly evolved machines They live in a world with no heroes only celebrities and with no causes more grand than acquiring a nice house The only adequate response to secularism's emptiness Alexander argues is a remnant church that actually lives by the truth of Jesus' story a gospel that offers people something truly worth living and dying for The Secular Squeeze couples trenchant cultural analysis with stirring constructive insight into how Christians can disavow the false myths of secularism and take up a cross with nails

Broken Promises Henry Virkler, 2015-09-23 ADULTERY Recognizing the Signs Stopping It Before It Starts Recovering from the Damage One half of the young and middle aged couples in this country will at some time struggle with the painful and destructive results of an affair Can these marriages be saved Can the number of shaken marriages be reduced Psychologist and counselor Henry Virkler has some answers In this vital book he describes the devastating effects of adultery how couples can take preventive steps to reduce the likelihood of it happening in their own

marriages and what to do if it does happen He writes for professional counselors for pastors and for those laypersons who find themselves wanting to understand the situation better While the author is a committed Christian psychologist and counselor he warns that faith doesn't automatically safeguard couples from sexual temptation He shows how to avoid innocent situations that can easily lead to an affair what you can do to strengthen your marriage and reduce the possibility that you or your partner will be tempted in an affair how to tell if your mate is having an affair and what to do if your worst fears prove true how adultery does not need to lead to divorce if approached in the right way **The Strange Adventures**

of Mr Andrew Hawthorn and Other Stories John Buchan, 2009-07-28 A new selection of short stories by the prince of thriller writers The Times London The short stories of John Buchan are known for their authentically rendered backgrounds taut pacing and atmosphere of expectancy and international intrigue These diverse tales combine Buchan's remarkable experiences and interests as a traveler war correspondent politician and classical scholar Edited by acclaimed author Giles Foden this selection features the World War I thriller The Loathly Opposite the frequently anthologized Sing a Song of Sixpence and Streams of Water in the South one of Buchan's personal favorites Addressing such themes as human frailty strength and redemption the stories testify to Buchan's worldview that mastery of oneself leads to the fulfillment of one's destiny The Saturday Evening Post, 1925 *Author and Journalist*, 1927 *Classics in Media Theory* Stina

Bengtsson, Staffan Ericson, Fredrik Stiernstedt, 2024-06-21 This comprehensive collection introduces and contextualizes media studies most influential texts and thinkers from early 20th century mass communication to the first stages of digital culture in the 21st century The volume brings together influential theories about media mediation and communication as well as the relationships between media culture and society Each chapter presents a close reading of a classic text written by a contemporary media studies scholar Each contributor presents a summary of this text relates it to the traditions of ideas in media studies and highlights its contemporary relevance The text explores the core theoretical traditions of media studies in particular cultural studies mass communication research medium theory and critical theory helping students gain a better understanding of how media studies has developed under shifting historical conditions and giving them the tools to analyse their contemporary situation This is essential reading for students of media and communication and adjacent fields such as journalism studies sociology and cultural studies Perversion Prof. Lisa Downing, Dany Nobus, 2018-04-24 Perversion its

ubiquity in infantile life and its persistence in the psychical and sexual lives of some adults was a central element of Freud's lifelong work The problem of perversion has since been revisited by many psychoanalytic schools with the result that Freud's original view of perversion has been replaced by numerous often contradictory perspectives on its aetiology development and treatment The concept of perversion has also been significant for the disciplines of cultural studies and gender and queer theory which have explored the creative and dissident powers of perversion while expressing a suspicion of its operation as a pathological category This bi-partite collection offers a series of perspectives on perversion by a range of psychoanalytic

practitioners and theorists edited by Dany Nobus and a selection of papers by scholars who work with or critique psychoanalytic theories of perversion edited by Lisa Downing It stages a serious dialogue between psychoanalysis and its commentators on the controversial issue of non normative sexuality *Radical Evil* Joan Copjec,1996 *Radical Evil* the second volume in the S series marks the two hundredth anniversary of the publication of Kant's *Religion without the Limits of Reason Alone* where Kant first proposed and quickly withdrew in horror the concept of radical evil an evil at the very heart of the ethical problematic It also marks the recent publication in English of Lacan's *Ethics of Psychoanalysis* arguably one of the most important and influential of Lacan's seminars in which he discusses the rise since the nineteenth century of a certain happiness in evil The events of the twentieth century have made the assertions of both Lacan and Kant credible and concrete the Holocaust and the attempts to cast doubt on its existence the rise of racism worldwide the engagement by philosophers with ethics as critical to relevant issues but without the consideration of the problems which lead Kant to his formation of radical evil The contributors to this volume were asked to consider radical evil in its philosophical political and cultural dimensions What emerges is a clear introduction to the problematic including discussions of the Holocaust the placement of homosexuals in concentration camps the creation of the Machiavellian in politics and literature a full and fascinating exploration of the radical nature of modern evil **The Names of God** Herbert Chanan Brichto,1998-04-09 This is the sequel to the author's iconoclastic *Toward a Grammar of Biblical Poetics* Oxford 1992 in which Brichto argues for the aesthetic wholeness of the Hebrew Bible and the consistency of Scripture's preachment on God nature and the human condition in direct opposition to current source criticism which maintains that inconsistencies within the text support an atomistic reading of multiple authors In *The Names of God* Brichto brings us his poetic reading of Scripture to the Book of Genesis Using contemporary methods and insights of literary criticism he examines one of the great inconsistencies within Genesis that have led to the supposition of multiple authors the assortment of terms or names for the Deity among them Yahweh and Elohim and attempts to show the appropriateness of certain of these names to the stories in which they appear He also looks at a variety of other data within Genesis such as genealogies eponyms and chronologies and shows that their poetical function their variety ingenuity and imaginative whimsy is vital to the structure of the text as a whole In finding a unity in this diversity of materials Brichto makes a strong case for the text as the artistic achievement of a single author
