Tailoring Guide 375 450

Jin-Ying Zhang

Tailoring Guide 375 450:

Steps to Local Government Reform Allyn O. Lockner, 2013-03-29 Does the performance of your local government leave something to be desired Maybe you're not satisfied with the services your government provides or maybe the cost for these services is far too much If so take heart you can do something about it Steps to Local Government Reform is your step by step guide to undertaking reform on the local level Public manager Allyn O Lockner combines years of experience in the public sector to show how you as a resident or an elected local official can work with others to successfully implement change within your community Lockner explains how to make numerous choices regarding the preparation for and the study planning marketing approval implementation and evaluation of reforms He also shows you how to share these reform results with others Using various criteria comparisons practices analyses and other studies aimed at local government performance Lockner delves into the sometimes tricky world of enacting reform He reveals how local government works and provides a map for maneuvering around bureaucratic roadblocks In addition he includes a comprehensive bibliography for research an appendix of terms commonly used in the reform process and guides to creating reform models that are likely to work With this compendium you can help resolve vital issues improve your community and live a better life **The Book Buyer's**

Manual G.P.
