Teaching with Favorite Newbery Books Lori Licciardo Musso, Lori Licciardo-Musso, 1999 Contains engaging discussion questions vocabulary builders writing prompts and great literature response activities

Confederate Veteran, 1910 *Throckmorton's 1929 Annotated Code of Ohio* Ohio, 1929 **Confederate Veteran**, 1914 **The Civil War in 1862** Charles River Editors, 2025-05-02 After Union General Ulysses S Grant captured Fort Henry and Fort Donelson in early 1862 Confederate General Albert Sidney Johnston widely considered the Confederacy's best general concentrated his forces in northern Georgia and prepared for a major offensive that culminated with the biggest battle of the war to that point the Battle of Shiloh On the morning of April 6 Johnston directed an all out attack on Grant's army around Shiloh Church and though Grant's men had been encamped there they had failed to create defensive fortifications or earthworks They were also badly caught by surprise With nearly 45 000 Confederates attacking Johnston's army began to steadily push Grant's men back toward the river As fate would have it the Confederates may have been undone by friendly fire at Shiloh Johnston advanced out ahead of his men on horseback while directing a charge near a peach orchard when he was hit in the lower leg by a bullet that historians now widely believe was fired by his own men Nobody thought the wound was serious including Johnston who continued to aggressively lead his men and even sent his personal physician to treat wounded Union soldiers taken captive But the bullet had clipped an artery and shortly after being wounded Johnston began to feel faint in the saddle With blood filling up his boot Johnston unwittingly bled to death The delay caused by his death and the transfer of command to subordinate P G T Beauregard bought the Union defenders critical time on April 6 and the following day Grant's reinforced army struck back and pushed the Confederate army off the field The Battle of Shiloh lasted two days but the battle over the battle had just begun Grant's army had just won the biggest battle in the history of North America with nearly 24 000 combined casualties among the Union and Confederate forces Usually the winner of a major battle is hailed as a hero but Grant was hardly a winner at Shiloh The Battle of Shiloh took place before costlier battles at places like Antietam and Gettysburg so the extent of the casualties at Shiloh shocked the nation Moreover at Shiloh the casualties were viewed as needless Grant was pilloried for allowing the Confederates to take his forces by surprise as well as the failure to build defensive earthworks and fortifications which nearly resulted in a rout of his army Speculation again arose that Grant had a drinking problem and some even assumed he was drunk during the battle Though the Union won it was largely viewed that their success owed to the heroics of General Sherman in rallying the men and Don Carlos Buell arriving with his army and General Buell was happy to receive the credit at Grant's expense As a result of the Battle of Shiloh Grant was demoted to second in command of all armies in his department an utterly powerless position And when word of what many considered a colossal blunder reached Washington several congressmen insisted that Lincoln replace Grant in the field Lincoln famously defended Grant telling critics I can't spare this man He fights The Civil War in 1862 explains the campaign and events that

led up to the decisive battle what went right and wrong on both sides and the aftermath of the battle Accounts of the battle by important leaders like Sherman Grant and Braxton Bragg are included along with analysis of the generals and fighting Along with maps of the battle and pictures of important people places and events you will learn about the Battle of Shiloh like you never have before [Selections from the books of Ruth and 1 Samuel: annotated and prepared for educational purposes](#) by H.M.
