The Oxford Handbook of Metaphysics Michael J. Loux, Dean W. Zimmerman, 2005-09-08. Some of the world's specialists provide in this handbook essays about what kinds of things there are, in what ways they exist, and how they relate to each other. They give the word on such topics as identity, modality, time, causation, persons, and minds, freedom, and vagueness.

American Literature-Teacher James P. Stobaugh, 2012-11-01. Enjoy beloved classics while developing vocabulary, reading, and critical thinking skills. Each literature book in the series is a one-year course. Each chapter has five lessons with daily concept building exercises, warm-up questions, and guided readings. Easy to use with suggested reading schedules and daily calendar. Equips students to think critically about philosophy and trends in culture and articulate their views through writing. A well-crafted presentation of whole book or whole work selections from the major genres of classic literature: prose, poetry, and drama. Each course has 34 chapters representing 34 weeks of study with an overview of narrative background material on the writers, their historical settings, and worldview. The rich curriculum's content is infused with critical thinking skills, and an easy-to-use teacher's guide outlines student objectives with each chapter, providing the answers to the assignments and weekly exercises. The final lesson of the week includes both the exam

covering insights on the week's chapter as well as essays developed through the course of that week's study chosen by the educator and student to personalize the coursework for the individual learner
