Ultraviolet Episode Guide:

TV Guide Roundup, 1960 **NASA Newsletter for International Ultraviolet Explorer (IUE)**. United States. National Aeronautics and Space Administration, 1985 **The Essential Cult TV Reader** David Lavery, 2021-09-15 The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged active fan bases by employing an imaginative approach to programming Once defined by limited viewership cult TV has developed its own identity with some shows gaining large mainstream audiences By exploring the defining characteristics of cult TV The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television The essays explore a wide range of cult programs from early shows such as Star Trek The Avengers Dark Shadows and The Twilight Zone to popular contemporary shows such as Lost Dexter and 24 addressing the cultural context that allowed the development of the phenomenon The contributors investigate the obligations of cult series to their fans the relationship of camp and cult the effects of DVD releases and the Internet and the globalization of cult TV The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future *Focus On: 100 Most Popular Television Series by Warner Bros. Television* Wikipedia contributors, **TV Guide**, 2007 **Mobilize** Rana June Sobhany, 2011-04 Everyone wants their product to be the next great killer app But in the increasingly crowded world of mobile content this pinnacle of success is becoming harder and harder to reach The iPod iPhone and iPad offer tremendous opportunity for the *Monthly Catalogue, United States Public Documents*, 1995-12

Monthly Catalog of United States Government Publications United States. Superintendent of Documents, 1995 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index [Monthly Catalog of United States Government Publications](#), 1995 **TV Horror** Lorna Jowett, Stacey Abbott, 2013-01-18 Horror is a universally popular pervasive TV genre with shows like True Blood Being Human The Walking Dead and American Horror Story making a bloody splash across our television screens This complete utterly accessible sometimes scary new book is the definitive work on TV horror It shows how this most adaptable of genres has continued to be a part of the broadcast landscape unsettling audiences and pushing the boundaries of acceptability The authors demonstrate how TV Horror continues to provoke and terrify audiences by bringing the monstrous and the supernatural into the home whether through adaptations of Stephen King and classic horror novels or by reworking the gothic and surrealism in Twin Peaks and Carnivale They uncover horror in mainstream television from procedural dramas to children's television and through close analysis of landmark TV auteurs including Rod Serling Nigel Kneale Dan Curtis and Stephen Moffat together with case studies of such shows as Dark Shadows Dexter Pushing Daisies Torchwood and Supernatural they explore its evolution on television This book is a must have for those studying TV Genre as well as for anyone with a taste for the gruesome and the macabre

Wikipedia , The Essential Science Fiction Television Reader J.P. Telotte, 2008-05-02 A richly detailed and critically penetrating overview from the plucky adventures of Captain Video to the postmodern paradoxes of The X Files and Lost Rob Latham coeditor of Science Fiction Studies Exploring such hits as The Twilight Zone Star Trek Battlestar Galactica and Lost among others The Essential Science Fiction Television Reader illuminates the history narrative approaches and themes of the genre The book discusses science fiction television from its early years when shows attempted to recreate the allure of science fiction cinema to its current status as a sophisticated genre with a popularity all its own J P Telotte has assembled a wide ranging volume rich in theoretical scholarship yet fully accessible to science fiction fans The book supplies readers with valuable historical context analyses of essential science fiction series and an understanding of the key issues in science fiction television

Technology-based Inquiry for Middle School Edwin P. Christmann, 2006 The practical tone makes this collection beneficial to in service science teachers as well as pre professionals taking methods courses Technology Based Inquiry will give you the confidence that comes with deeper understanding of how to use the latest technology to increase science learning

Dangerous Curves Jeffrey A. Brown, 2011-04-18 *Dangerous Curves* Action Heroines Gender Fetishism and Popular Culture addresses the conflicted meanings associated with the figure of the action heroine as she has evolved in various media forms since the late 1980s Jeffrey A Brown discusses this immensely popular character type the action heroine as an example of and challenge to existing theories about gender as a performance identity Her assumption of heroic masculine traits combined with her sexualized physical depiction demonstrates the ambiguous nature of traditional gender expectations and indicates a growing awareness of more aggressive and violent roles for women The excessive sexual fetishization of action heroines is a central theme throughout The topic is analyzed as an insight into the transgressive image of the dominatrix as a reflection of the shift in popular feminism from second wave politics to third wave and postfeminist pleasures and as a form of patriarchal backlash that facilitates a masculine fantasy of controlling strong female characters Brown interprets the action heroine as a representation of changing gender dynamics that balances the sexual objectification of women with progressive models of female strength While the primary focus of this study is the action heroine as represented in Hollywood film and television the book also includes the action heroine s emergence in contemporary popular literature comic books cartoons and video games

Hollywood Vault Eric Hoyt, 2014-07-03 *Hollywood Vault* is the story of how the business of film libraries emerged and evolved spanning the silent era to the sale of feature libraries to television Eric Hoyt argues that film libraries became valuable not because of the introduction of new technologies but because of the emergence and growth of new markets and suggests that studying the history of film libraries leads to insights about their role in the contemporary digital marketplace The history begins in the mid 1910s when the star system and other developments enabled a market for old films that featured current stars After the transition to films with sound the reissue market declined but the studios used their libraries for the production of remakes and other derivatives The turning point in

the history of studio libraries occurred during the mid to late 1940s when changes in American culture and an industry wide recession convinced the studios to employ their libraries as profit centers through the use of theatrical reissues In the 1950s intermediary distributors used the growing market of television to harness libraries aggressively as foundations for cross media expansion a trend that continues today By the late 1960s the television marketplace and the exploitation of film libraries became so lucrative that they prompted conglomerates to acquire the studios The first book to discuss film libraries as an important and often underestimated part of Hollywood history Hollywood Vault presents a fascinating trajectory that incorporates cultural legal and industrial history *Encyclopedia of Religion and Film* Eric Michael Mazur,2011-03-08

Comprising 91 A Z entries this encyclopedia provides a broad and comprehensive introduction to the topic of religion within film Technology has enabled films to reach much wider audiences enabling today s viewers to access a dizzying number of films that employ diverse symbolism and communicate a vast array of viewpoints *Encyclopedia of Religion and Film* will provide such an audience with the tools to begin their own exploration of the deeper meanings of these films and grasp the religious significance within Organized alphabetically this encyclopedia provides more than 90 entries on the larger religious traditions the major film producing regions of the globe the films that have stirred controversy the most significant religious symbols and the more important filmmakers The included topics provide substantially more information on the intersection of religion and film than any of the similar volumes currently available While the emphasis is on the English speaking world and the films produced therein there is also substantial representation of non English non Western film and filmmakers providing significant intercultural coverage to the topic *Tony Garnett* Stephen Lacey,2013-07-19 Tony Garnett is the first book length study of one of the most respected and prolific producers working in British television From ground breaking dramas from the 1960s such as *Up the Junction* and *Cathy Come Home* to the must see series in the 1990s and 2000s such as *This Life* and *The Cops* Garnett has produced some of the most important and influential British television drama This book charts Garnett s career from his early days as an actor to his position as executive producer and head of World Productions Drawing on personal interviews archival research contextual analysis and selected case studies Tony Garnett examines the ways in which Garnett has helped to define the role of the producer in British television drama Arguing that Garnett was both a key creative and political influence on the work he produced and an enabler of the work of others the book traces his often combative relationships with broadcasting institutions especially the BBC Additionally the study discusses the films he made for the cinema and considers some of the ways in which Garnett s experiments in film technology 16 mm in the 1960s digital video in the 1990s have shaped his creative output Tony Garnett will be of interest to all levels of researchers and students of British television drama media and film **Radio-electronics** ,1968 *Children's Visual Dictionary* DK,2025-03-04 A 9 000 word visual dictionary with every day thematic sections that help children expand their vocabulary Learning new words is now easier for children aged 7 with the *Children s Visual Dictionary* Clear simple illustrations depict words and phrases in a
