Tennis Science Machar Reid,Bruce Elliott,Miguel Crespo,2015-10-26 If you have watched a Grand Slam tennis tournament in the past decade you are probably aware that the game is dominated by just a few international powerhouses At the conclusion of each tournament it is likely that you will see Serena Williams atop the women s podium and a member of the Big Four Roger Federer Rafael Nadal Novak Djokovic and Andy Murray hoisting the trophy for the men And while there is not a lot of variety in the outcome of these matches the game of tennis itself has changed drastically over the decades as developments in technology and conditioning regimens among other factors have altered the style of play Underpinning many of these developments is science and this book explains the scientific wonders that take the ball from racket to racket and back again Each chapter explores a different facet of the game learning technique game analysis the mental edge

physical development nutrition for performance and recovery staying healthy and equipment and is organized around a series of questions How do we learn the ins and outs of hitting the ball in and not out What are the main technological developments and software programs that can be used to assist in performance and notational analysis in tennis What role does sports psychology play in developing a tennis player What is the role of fluid replacement for the recreational junior and professional player What rule changes have been made with respect to the racket ball and ball court interaction to maintain the integrity of the game in the face of technological change Each question is examined with the aid of explanatory diagrams and illustrations and the book can be used to search for particular topics or read straight through for a comprehensive overview of how player and equipment work together Whether you prefer the grass courts of Wimbledon the clay courts of the French Open or the hard courts of the US and Australian Opens Tennis Science is a must have for anyone interested in the science behind a winning game

How to Build a Sport or Life Dynasty Norbert A. Baschnagel, 2021-09-20 How to Build a Sport or Life Dynasty By Norbert A Baschnagel How to Build a Sport or Life Dynasty is a must read book not only for those who are currently coaching and those who aspire to coach but also for people who are seeking to live meaningful and productive lives Coach Baschnagel gives a very detailed and successful plan on how to excel as a coach and how to create a sports dynasty This plan is based on his expertise knowledge and life experience It was this plan that enabled him to create a Sports Dynasty for the Women s Varsity Tennis Team at Clarion University In his last four years of coaching the team a record of 57 wins and only 1 loss was compiled This book can help any coach achieve greater success In this book Coach Baschnagel is sharing The tricks of the trade with his readers He also shares the qualities that are needed for a person not only to be successful in life but also to be significant If a person wants to have a higher and more satisfying life this book is a must As the author has excelled in his personal life coaching and in the community he has brought that same excellence in this book Fr Sam Bungo St Charles Church New Bethlehem PA The book exemplifies how to develop and build a sports or life dynasty and is truly how you live your life Your persistence determination when others said it could not be done commitment dedication to others and your amazing leadership skills are fundamental in shifting from success to significance Being a part of your Tennis Dynasty for four years and playing under your leadership was both an honor and privilege At the same time I didn t realize how valuable the life s lessons were that I was acquiring You don t always see the magnitude of something while in the middle of it What you write about is exactly what your expectations were of each player Good sportsmanship hard work discipline teamwork training preparation compassion self control enthusiasm and friendship are all attributes that you valued and instilled in us as our leader These qualities have carried over into adulthood and are great strengths to have throughout life Whether you are a coach wanting to build a team dynasty or an athlete wanting to master his or her skill this book is a roadmap to do just that Tamara Myers CUP Hall of Fame Member 1987 1990 Tennis Team Captain Medical Sales Rep Norb always has a plan and with that plan he has always had Beverly to make sure he stayed focused to get these plans

accomplished Only Norb could have believed and figured out how to build a dynasty in a place that is known for Wrestling and Autumn Leaf Festival If you want to know how to build a successful program in sports business and even life read this book How to Build a Sport or Life Dynasty Everyone thought he was crazy including his assistant coaches and some of his players who are in the Clarion Sports Hall of Fame but two years later we were not only the best tennis team in the PSAC for four straight years we were the dominant team on the whole east coast Coach Baschnagel is the only person who could have believed and made this happen and I believe with hard work and using his principal s you could be as successful as he was but you must burn the midnight oil You can t be successful by accident and this success story does not come without a few hard times and headaches It is a book that you will not be able to put down and you can use every day Philip D Popielski Jr CUP Student Assistant Tennis Coach 1984 1987 Assistant Principal Woodlawn High School Baltimore MD In this his fourth sports themed book Norbert Baschnagel tells the story of how he took a struggling non winning women s tennis program at Clarion University of Pennsylvania and turned it into the conference leader with an astounding string of wins during his stint as head coach The achievement led to many honors including his being named the conference s Coach of the Year and being inducted into the Clarion University Sports Hall of Fame Baschnagel then provides a detailed blueprint of how he achieved his success and how others can achieve similar results Baschnagel eventually left coaching to become a member of the Clarion University faculty teaching in the university s Department of Health and Physical Education for many years before retiring recently A few years before his retirement Professor Baschnagel received one of academia s highest honors when he was named a full professor Though Coach Professor Baschnagel is now retired he is not resting on his laurels as he remains active in the community and the sports world And as this book ably demonstrates while he may be retired he is still very much in the game Dr William Buchanan Professor Emeritus Department of Information and Library Science Clarion University of Pennsylvania
