

A BBW WEREBEAR EROTICA STORY

The background of the entire cover features a man and a woman in a romantic embrace, nearly kissing. The man is on the left, leaning towards the woman on the right. They are set against a dark, moody sky. In the lower right foreground, a large brown bear is shown in profile, looking towards the left. At the very bottom, a horizontal band of orange and red light, resembling a sunset or a city skyline at night, stretches across the width of the image.

Reluctant Virgin Werewolf Gangbang Francis Ashe, Innocent Fiona has heard legends of skinwalkers who can change shape at will but thought they were simply old tales On a peaceful walk through the woods she learns maybe there is more to the Elders tales than she ever thought Cornered by a pack of wolves with eyes that she finds strangely human and beautiful she feels passion and lust bubble up from deep inside her things she s never felt before but things she cannot deny Will she escape the pack or will she become the reluctant mate to the mighty Alpha who needs Fiona more than she knows Warning This sizzling 9800 word erotic romance features a young woman getting what she s always wanted a passionate m nage unhinged monsters with barely enough humanity left to control their most savage urges and a curse that can only be cured in one way by one woman Excerpt A tremendous weight pushed me backwards holding me hard against the soft crunching leaves underneath Two heavy pads crushed my shoulders sending tendrils of pain all the way down my body You re ow you re hurting me Please Stop The pressure grew and as it did my unlikely anticipation swelled I couldn t help it no matter how insane I felt these huge beasts were making me experience emotions no one nothing ever had My shorts tore first with the button popping off as Midnight yanked me along the ground and then ripped open from the inseam outward in a gnashing of dagger like teeth that could have sliced me open at any moment Instantly I remembered the dream I d been awakened from

the wolf with his head between my legs grinding pleasure from my very bones and sliding his long hot tongue along my untouched sex And then I remembered the legend I d heard that skinwalkers could enter your dreams penetrate your very desires and make you burn for them ache for their seductive touch In a flash of panic mixed with utter ecstatic confusion I swung my head from side to side Standing above me with his face inches from mine was the tremendous white beast his cock throbbing as it lay on my belly His heavy thick fur sheathed prick thrummed in time with his heart and soon I realized with mine So badly I wanted to feel him to touch him and take him inside me that it almost terrified me Beside him slowly circling as though waiting for an opening in which to pounce on my naked helpless body was one of the Midnight twins the one with eyes the color of rich dripping amber instead of the other blue black wolf s pale yellow irises The last of the three I couldn t see but I could certainly feel as his nose made my pussy tingle with anticipation with every tiny little movement he made against me In my confusion I d forgotten all about the mightiest of the beasts at least until I happened to roll my head to one side as the wolf between my legs forced my sex to pulse around his tongue
