The Apostle Jesus The Kingdom Among You:

The Apostle Jesus Barry Starliper, 2012-12-15 Much of what is called apostolic does not measure up to the Biblical model In many cases the so called apostolic has become another avenue for self styled apostles to exert control over other believers The pattern for True Apostolic Ministry is Jesus Christ the first Apostle or sent one from God Jesus came to inaugurate the Kingdom of Heaven not establish an institution He came to liberate us from religion **The Kingdom of God Is among You** Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

Division among Christians: Disregarding God's word Ronald E. Matteson, 2008-03-27 This writing is from excerpts found in the book *Division Among Christians Disregarding God's Word* by Ronald E Matteson Christianity was meant to be the worshiping of God The Almighty through Jesus Christ by use of HEAVENLY words Heavenly wisdom and Heavenly understanding Christianity has been moved from unity toward division by the influx of certain WORLDLY influences and WORLDLY desires In the early days of Christianity the movement of division was due to the actions of some Christian humans who claimed that their leader was the a supposed actual visible god almighty on earth and that salvation could take place only in their group and only under their leader In return for a donation to the group there came an offering of forgiveness of all debts due to sin the same debts God had already forgotten about also appearing was an implication of supposed salvation Some worldly words worldly desires and worldly interests of the group caused the over writing of some true Heavenly words from GOD'S MOUTH and this action was defended by the word tradition When some of the group's priests were exposed to having homosexual relationships it was possibly found necessary to soften the embarrassment by holding that the priests were tempted beyond the priest's control and that the priest's sexual actions were NOT SINFUL in and of the priest's behavior The group considers SAME GENDER sexual temptations and acts as not sinful Homosexuality and Roman

Catholicism Wikipedia Encyclopedia The group s conclusion is DISCRIMINATORY when they compare sexual temptation and drive found in non homosexuals to the sexual temptation and drive found in homosexual s Only God The Almighty the creator of humans is able to JUSTLY COMPARE sexual temptations and drives found in both the homosexual and in the non homosexual The group has concluded that homosexual temptation and drive is much greater than non homosexual temptation and drive Therefore the homosexual s actions are NOT sinful but the non homosexual s actions are sinful This unjust conclusion is due to worldly wisdom The group has not relied on God s applicable Heavenly words which denounce homosexual activity GOD SAID One man must not lie with one other man as he would lie with a woman for this is a hateful thing Any man who does this must be CUT OFF FROM MY PEOPLE PRIESTS are INCLUDED Leviticus 18 22 29 The group s worldly opinion concludes that God s COMPASSION will either resolve the homosexual s behavior or on judgment day God will FORGIVE those displaying such homosexual actions since their acts are not sinful Words from the MOUTH OF GOD The Almighty will not support any of the group s above mentioned conclusions Now making an appearance are certain Bishops from various Protestant Denominations who follow this same homosexual subject matter and lead some of their flock down the evil path The Bishops more than likely at some time in the past have referred to the instigators as being worldly yet the Bishops accept the instigator s worldly view on homosexuality DIVISION WITHIN the various denominations is on an INCREASE and with no end in sight The time has arrived when certain church members are beginning to leave their present denomination and seek a denomination which without a doubt follows God s true word Remember that one does not enter the Kingdom of God because one belongs to a given named denomination Jesus Christ said will there be any heavenly FAITH on earth when I return Luke 18 8 One including those involved in homosexual activity should now try to gain the necessary understanding as to believe at least some of the true heavenly words which claim that NOT ALL OF US WILL REMAIN IN THE KINGDOM OF GOD AS TO BE SAVED Matthew 22 14 Luke 13 23 27 Romans 9 27 The more disgusting of recent events is caused by some Christian leaders who CONSPIRE and appr
