The Baby House:

The Boy from Baby House 10 Alan Philps, John Lahutsky, 2009-09-23 In 1990 a young boy afflicted with cerebral palsy was born prematurely in Russia His name was Vanya His mother abandoned him to the state childcare system and he was sent to a bleak orphanage called Baby House 10 Once there he entered a nightmare world he was not to leave for more than eight years Housed in a ward with a group of other children he was clothed in rags ignored by most of the staff and given little if any medical treatment He was finally and cruelly confined for a time to a mental asylum where he lived almost caged lying in a pool of his own waste on a locked ward surrounded by psychotic adults But that didn't stop Vanya Even in these harsh conditions he grew into a smart and persistent young boy who reached out to everyone around him Two of those he reached out to Sarah Philps the wife of a British journalist and Vika a young Russian woman realized that Vanya was no ordinary child and they began a campaign to find him a home After many twists and turns Vanya came to the attention of a single woman living in the United States named Paula Lahutsky After a lot of red tape and more than one miracle Paula adopted Vanya and brought him to the U S where he is now known as John Lahutsky an honors student at Freedom High School in Bethlehem Pennsylvania and a member of the Boy Scouts of America Order of the Arrow In The Boy From Baby House 10 Sarah's husband Alan Philps helps John Lahutsky bring this inspiring true life story of a small boy with a big heart and an unquenchable will to readers everywhere The Baby House Norma Simon, 1955 A little girl tells how she and all the fathers and mothers in her house eagerly awaited the babies that the cat the dog and Mother were expecting This book should be helpful in preparing children for the coming of a new baby and may even be useful in sex education of the very young Booklist
