Homeward Bound Harry Turtledove,2005-12-27 The twentieth century was awash in war World powers were pouring men and machines onto the killing fields of Europe Then in one dramatic stroke a divided planet was changed forever An alien race attacked Earth and for every nation every human being new battle lines were drawn HOMEWARD BOUND With his epic novels of alternate history Harry Turtledove shares a stunning vision of what might have been and what might still be if one moment in history were changed In the WorldWar and Colonization series an ancient highly advanced alien species found itself locked in a bitter struggle with a distant rebellious planet Earth For those defending the Earth this all out war for survival supercharged human technology made friends of foes and turned allies into bitter enemies For the aliens known as the Race the conflict has yielded dire consequences Mankind has developed nuclear technology years ahead of schedule forcing the invaders to accept an uneasy truce with nations that possess the technology to defend themselves But it is the Americans with their primitive inventiveness who discover a way to launch themselves through distant space and reach the Race s home planet itself Now in the twenty first century a few daring men and women embark upon a journey no human has made before Warriors diplomats traitors and exiles the humans who arrive in the place called Home find themselves genuine strangers on a strange world and at the center of a flash point with terrifying potential For their arrival on the alien home world may drive the enemy to make the ultimate decision to annihilate an entire planet rather than allow the human contagion to spread It may be that nothing can deter them from this course With its extraordinary cast of characters human nonhuman and some in between Homeward Bound is a fascinating contemplation of cultures armies and individuals in collision From the novelist USA Today calls the leading author of alternate history this is a novel of vision adventure and constant astounding surprise

New Approaches to Transcodification Massimo Fusillo,Doriana Legge,Mirko Lino,Mattia Petricola,Gianluigi Rossini,2025-08-04 This collection aims to renew our perspective on adaptation and intermedial processes by thinking of them in terms of codes rather than media As a result the notion of transcodification emerges as a crucial tool in order to study the circulation of semiotic and aesthetic resources across disciplines knowledge

systems and cultures Defined as the transfer of meaning making potential from one semiotic domain to another transcodification both includes and transcends intermediality thus dramatically expanding the scope and research potential of adaptation and intermedial studies The essays collected here apply this framework to an incredibly wide variety of objects and issues from the relationship between art and historiography to the visual culture of finance from contemporary approaches to ekphrasis to the hidden labor of screenwriters from modern surveillance to digital comics from fansubbing to the reception of the classical world in the digital age from medieval theater to the role of videogames in the war on terror By fostering dialogue between radically different disciplines the book offers a unique approach to the study of semiotic interrelations across the most diverse aspects of human culture *A Guide to The Constitution, that Delicate Balance* George McKenna,1984 **EE News** ,1984 Bogus to Bubbly Scott Westerfeld,2009-10-27 THE WORLD OF UGLIES SET IN OUR NOT SO DISTANT FUTURE is a complex place filled with bubbly technology and lingo yet bogus rules about status and appearance That s why a guide to the world of uglies has been requisitioned from the hole in the wall Inside you ll find A rundown on all the cliques from Crims and Cutters to tech heads and surge monkeys The complete history starting with the destruction of the oil bug to the launch of Extras in space How all those awesome gadgets came to be hoverboards eyescreens skintennas sneak suits PLUS an exclusive look at Scott Westerfeld s first draft of Extras starring Hiro not Aya And so much more it s mind wrecking Young Adult Literature in Action Rose Brock,2019-06-14 Taking a genre approach this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books including recommended titles This third edition of Young Adult Literature in Action draws on the success of the previous two editions authored by Rosemary Chance updating and expanding on them to meet the needs of today s librarians and library science students It includes a new focus on diverse books LGBTQ selections the role of book formats and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses Organized by major genre divisions this easy to use book includes new information on timely topics such as audio and e books accessible books and graphic novels Each chapter includes revised and updated information on collaborative activities featured books special topics and programs selected awards and celebrations historical connections recommended resources issues for discussion author comments and assignment suggestions Further updates include citations of exemplary young adult books and award winners references websites and a bibliography Forthcoming Books Rose Army,1988-09 International Film Guide Peter Cowie,1982 **Harper's Weekly** John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1857 **Augmented** Kenechi Udogu,2025-06-03 In a future where humans are enhanced to ensure the survival of society Akaego fights to prevent her power to grow plants from being weaponised by a corrupt regime A truly original novel Brilliant illuminating I loved every
