part of an accountant's job identifying, interpreting and applying the many audit, attest, review and compilation standards relevant to a particular engagement. Wiley Practitioner's Guide to GAAS 2006 offers the accounting professional a clear, accessible distillation of the official language of those standards: Statements on Standards for Attestation Engagements (SSAEs) and Statements on Standards for Accounting and Review Services (SSARs), as well as advice on exactly when and how to remain fully compliant with each. The only GAAS reference organized according to practitioners' actual use of the Statements on Auditing Standards, Wiley Practitioner's Guide to GAAS 2006 presents each statement individually, explaining how the standards are related and offering guidance on the entire engagement process in the form of practice notes, checklists, questionnaires and real world examples that illustrate how the fundamental requirements of each section are applied. Other key features include: A brief identification of each SAS, SSAE and SSARS with its effective date and tips on when to apply it; A convenient and comprehensive glossary of official definitions which are usually scattered throughout a standard; Behind-the-scenes explanations of the reasons for each pronouncement and brief explanations of the basic ideas of the section; Concise listing and descriptions of each standard's specific mandates; Easy-to-read capsule summary of interpretations plus selected AICPA practice alerts and advisories; Helpful techniques for remaining compliant with each standard. New in GAAS 2006: Proposed changes required by the new risk assessment suite of eight auditing standards including those related to Understanding the client's business; Internal control; Materiality; Assessing risk and performing audit procedures; Changes to the requirements for audit documentation when performing an audit of a privately held company.
