In this volume Ting Toomey and Oetzel accomplish two objectives to explain the culture based situational conflict model including the relationship among conflict ethnicity and culture and second integrate theory and practice in the discussion of interpersonal conflict in culture ethnic and gender contexts While the book is theoretically directed it is also a down to earth practical book that contains ample examples conflict dialogues and critical incidents Managing Intercultural Conflict Effectively helps to illustrate the complexity of intercultural conflict interactions and readers will gain a broad yet integrative perspective in assessing intercultural conflict situations The book is a multidisciplinary text that draws from the research work of a variety of disciplines such as cross cultural psychology social psychology sociology marital and family studies international management and communication **Culture and**

Interpersonal Communication William B. Gudykunst, Stella Ting-Toomey, 1988-11 Recipient of the 1988 Outstanding Book Award from the International and Intercultural Division of the Speech Communication Association The integration is impressive and the book is a must for those interested in this and related topics I think this book is likely to become the bible of graduate students preparing for qualifying examinations for their doctorate in interpersonal communication particularly if cultural variables are included in such preparation Professionals in this area will of course want to have it It is recommended to all readers of this journal Harry Triandis International Journal of Intercultural Relations This book provides a welcome addition to the literature on human interaction The coverage of most areas is impressive The authors have amassed a considerable volume of material and have managed to compress a very detailed discussion into a comparatively small space The material is logically organized and succinctly presented throughout a valuable reference source A thoroughly researched

and tightly written book which contributes significantly to the corpus scholarship in both interpersonal and intercultural communication. It is highly recommended as a reference source for anyone interested in these increasingly important areas of research. Canadian Journal of Communication. The authors have integrated an impressive array of literature. This book is timely and will help give direction to culture and communication research over the next decade. Clearly structured and the material is well organized. The writing is easy to read and the material generally well integrated. Contemporary Sociology. Offers a very useful grounding and integration of work in this area so far. Journal of Cross Cultural Psychology.
