Spinello, 2019-01-21 Based on the new English translation of Love and Responsibility this guide will help you discover the beauty of human relationships and our God given need for love In his preface Dr Richard Spinello states Quite simply Love and Responsibility is not an easy book to read Karol Wojtyła's classic work is even more relevant today but the language is often high and theoretical Based on the new English translation of Love and Responsibility Dr Spinello's thoughtful commentary will enable you to discover the beauty of Saint John Paul II's timeless work and through it the magnificence of human relationships and our God given need to give and receive love Love and Responsibility Karol Wojtyła, 2019-03-25 Originally published in Polish in 1960 Love and Responsibility is Karol Wojtyła's groundbreaking book on human love In this classic work Wojtyła explains relationships between persons especially concerning sexual ethics in the perspective of the true meaning of love Grzegorz Ignatik a native Polish speaker has translated the 2001 version of the text which includes revisions made by Pope John Paul II himself of the original 1960 edition providing helpful notes and defining key terms Love and Responsibility Pope John Paul II, 1993 Pope John Paul II's discussion of family life and sexual morality first published in 1960 which defends Catholic tradition and draws upon physiological and psychological research regarding the sexual urge love chastity and sexology and ethics *Woman as Prophet in the Home and the World* R. Mary Hayden Lemmons, 2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the

feminine genius secular feminism's need to adopt the insights of Christianity and the ability of femininity's prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture

The universal love of God and responsibility of man Jabez Burns, 1861 **Aspects of Romantic Love** Dr. George Vareekal, 2022-03-28 Aspects of Romantic Love Perceptions on Love and Marriage is a modest attempt to express my perceptions of romantic love and related themes To love and to be loved are exciting aspects of a person's emotional life The pivotal theme of the book is love romance marriage and those alliances which hamper a harmonious conjugal and family life Romantic love is a fascinating passion and an ecstatic experience The very word romance captures our imagination and fills our hearts with exciting feelings The book is not a scientific treatise on love It only encapsulates romantic love with all its appealing themes My effort is to describe the splendid experience called love exclusively through my impressions The book is a product of the year 2020 marred by the Covid 19 pandemic and the terrible human exodus during the lockdown of 2020 The unexpected global and national scenario gave ample time and opportunity for reading writing and reflection Writing on a subject like romantic love helped overcome the lethargy and the feeling of devastation during the lockdown It has been an exciting creative activity and a marvellous sensation of diversion

Love and Responsibility Pope John Paul II, 1981 **Art and Responsibility** Jules Simon, 2011-03-24 Two German philosophers working during the Weimar Republic in Germany between the two World Wars produced seminal texts that continue to resonate almost a hundred years later Franz Rosenzweig a Jewish philosopher and Martin Heidegger a philosopher who at one time was studying to become a Catholic priest each in their own particular way include in their writings powerful philosophies of art that if approached phenomenologically and ethically provide keys to understanding their radically divergent trajectories both biographically and for their philosophical heritage Simon provides a

close reading of some of their essential texts *The Star of Redemption* for Rosenzweig and *Being and Time* and *The Origin of the Work of Art* for Heidegger in order to draw attention to how their philosophies of art can be understood to provide significant ethical directives

Piety and Responsibility John N. Sheveland, 2016-04-22 This book analyzes the writings of Karl Rahner Karl Barth and Vedanta Desika to disclose how each construes piety and responsibility as integral to each other Each theologian expresses a fundamental unity of love of God and love of neighbour Sheveland explores this unity in ecumenical and interreligious frameworks showing how these authors privilege theology as practice enactment or simply as ethical He uses the Renaissance genre of musical polyphony as a methodological tool by which to explore the aesthetic quality and the similarity in difference of the theological voices being compared Polyphony's application to comparative theology includes the avoidance of caricature domestication and antagonism In place of these is offered a fundamentally aesthetic paradigm by which to hear theological voices in terms of their unity in distinction
