Under Locke Mariana Zapata, 2014-06-19 After moving to Austin following six months of unemployment Iris Taylor knows she should be glad to have landed a job so quickly even if the tattoo business is owned by a member of the same motorcycle club her estranged father used to belong to Except Dex Locke might just be the biggest jerk she s ever met He s rude impatient and doesn t know how to tell time And the last thing they ever expected was each other But it was either the strip club or the tattoo shop maybe she should have chosen the strip club **Notes and Queries** ,1878 **Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc** ,1877 *A Treatise on Wills* Thomas Jarman, 1893 *Forgetting Machines: Knowledge Management Evolution in Early Modern Europe* Alberto Cevolini, 2016-10-11 We are so accustomed to use digital memories as data storage devices that we are oblivious to the improbability of such a practice Habit hides what we habitually use To understand the worldwide success of archives and card indexing systems that allow to remember more because they allow to forget more than before the evolution of scholarly practices and the transformation of cognitive habits in the early modern age must be investigated This volume contains contributions by nearly every distinguished scholar in the field of early modern knowledge management and filing systems and offers a remarkable synthesis of the present state of scholarship A final section explores some current issues in record keeping and note taking systems and provides valuable cues for future research **Notes and Queries** ,1877 *Mews' Digest of English Case Law* John Mews, 1926 **The English cyclopædia, conducted by C. Leiter, 2018-06-28 John Locke s treatises on government make frequent reference to the Hebrew Bible while references to the New Testament are almost completely absent To date scholarship has not addressed this surprising characteristic of the treatises In this book Yechiel Leiter offers a Hebraic reading of Locke s fundamental political text In doing so he formulates a new school of thought in Lockean political interpretation and challenges existing ones He shows how a grasp of the Hebraic underpinnings of Locke s political theory resolves many of the problems as well as scholarly debates that are inherent in reading Locke More than a book about the political theory of John Locke this volume is about the foundational ideas of western civilization While focused on Locke s Hebraism it demonstrates the persistent relevance of the biblical political narrative to modernity It will generate interest among students of Locke and political theory philosophy and early modern history and within Bible study communities *Dictionary Catalog of the William Andrews Clark Memorial Library* William Andrews Clark Memorial Library, 1974 **The American Cyclopaedia** George Ripley, Charles Anderson Dana, 1883 **The Theory of Toleration Under the Later Stuarts** Alexander Adam Seaton, 1911 *Ireland Under English Rule* Thomas Addis Emmet, 1903 *English Prose of the Eighteenth Century* Cecil Albert Moore, 1946 **Selected Works on the History of Philosophy in the English Language** Benjamin Rand, 1906 **Under sentence of death; or, A criminal's last hours.
