Understanding The Book Of Revelation:

Understanding the Book of Revelation Terri Lewis, 2010-09 Understanding the Book of Revelation is an exposition of the Book of Revelation simply written explaining the main symbols according to the findings of most scholars on each topic It is not weighted down with speculation and fringe concepts but defines the meanings that are most often held by Biblical scholars This book takes you step by step through the Book of Revelation expounding on each issue so that you can uncover for yourself what will happen during these exciting times It will tell you if the perspective is from heaven or earth if the event is mentioned chronologically or if something yet in the future is being explained No longer do you have to be intimidated by the Book of Revelation Now you can enjoy the blessings promised to those who read and hear its message This is a book for people of all ages and denominations who are interested in understanding the Book of Revelation Dr Terri Lewis began seriously studying God s Word after she attended many hours of home Bible studies in the 70 s and 80 s and still desired more Delving deeper into the Word alone and with friends and attending college Bible courses whenever they were available she realized her passion for God s Word Terri taught Bible in the Christian Schools where she worked and later received a Doctorate Degree in Christian Education

All Things New Tim Snider, 2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser <http://www.kirkusreviews.com/book-reviews/tim-snider/all-things-new-snider-review>

We Win! Barry Brinson, 2016-03-14 Your manuscript is not only interesting and well written the questions for review and discussion make it an excellent study guide for individuals small groups or even a Bible College class Dr David New Bible College Professor The Word of God is holy inspired infallible and inerrant God desires that His word concerning the end times will be understood In We Win Reverend Barry Brinson shares a down to earth literal interpretation of the book

of Revelation that includes commentary on God's plan to bring an end to a world of sin and evil and how He intends to recreate a new heaven and new earth where righteousness dwells. Reverend Brinson is a devout Christian who loves to discover the truth of God's Word. While sharing a thoughtful yet simple interpretation of the book of Revelation, Brinson helps spiritual seekers understand God's Word as the simple truth clarifying the message behind this important Scripture. Brinson carefully examines the four visions of Revelation which evaluate the church relative to its worthiness in the Kingdom of God, describe the events that take place before God creates a new heaven and new earth, show the rise and fall of Babylon, and reveal the glorious future to be realized in the new heaven and new earth. We Win seeks to help anyone interested in better understanding the book of Revelation and its significant message that God does indeed have a grand and glorious plan for the future where in the end we win.

You Can Understand the Book of Revelation Jeff Scoggins, 2013. Some Christians say Revelation is a closed book and not meant for human understanding. Actually, the word revelation means unveiling, and the first chapter of Revelation promises a blessing to all who read and take it to heart. Other readers study Revelation over and over but end up confused about all the beasts, scrolls, trumpets, and angels. The truth is that Revelation is the story of Jesus Christ from beginning to end, and we need to understand the plot of that story before sorting out the details. A few preachers even use the newspaper to interpret Revelation, equating each symbol with a specific event in yesterday's news. Actually, Revelation is best interpreted using the Bible itself. You can learn to understand prophecy for yourself; all you need is a safe method of Bible study and the guidance of the Holy Spirit. Once you grasp the basic method, we'll use those tools to walk through the central portion of Revelation which deals with earth's final crisis just before the second coming of Jesus. You may have to re-think everything you thought you knew about interpreting prophecy, but you'll know that you stand on the firm footing of God's word. Open your Bible and join us for the journey.

Understanding the Book of Revelation D. Min. David Baxley, 2018-05-14. The Book of Revelation has long been thought of as a formidable and confusing work, understandable to only elite bible scholars. But like its very name, Revelation, understanding of this seemingly complex book is available to all. God has even promised a special blessing to those who read it. David Baxley D. Min. has broken down the perceived barriers and written a simple verse-by-verse commentary that is understandable to even beginning bible students. It includes maps, a chronology of end-time events, and wars, definitions, and cross-references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice, and believers will live with God forevermore. A bible student for over 50 years and pastor for over 40, Dr. David Baxley has studied and taught the Book of Revelation extensively. While in the hospital recovering from a heart transplant, he realized that the sequence of end-time events was still not clear in his mind, so he spent the next two years in

Jerusalem Nevertheless John the author of Revelation was instructed to Measure the Temple Revelation 11 1 8 Daniel spoke of how the Anti Christ would Stop the Daily Sacrifices at the Temple Daniel 12 4 13 Paul spoke of how the Anti Christ would sit as God in the Temple of God and proclaim that he was God 2 Thessalonians 2 1 5 Jesus spoke of the coming Tribulation and mentioned the Abomination of Desolation which occurs inside the Temple Mathew 24 15 21 Mark 13 14 19 But from AD 70 until May 1948 Neither the Temple nor the Nation of Israel existed This book will walk you through the exact Sequences of when each Biblical Event occurs and give you the exact Bible References so that you can see the actual Biblical Sequence of Events for yourself The First Chapter will close with a List of 12 Events all in Sequence all with actual Bible References The Final Chapter will close with a List of over 100 Events all in Sequence all with actual Bible References If you ever wanted to know for sure What Does the Bible Say Then this book is for you Breaking the Code Revised Edition Bruce M.

Exploring Revelation John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the

confusion and heretical dangers associated with Bible interpretation Moody Magazine *Understanding The Book of Revelation: Layman's Words* A. L. Springer, 2020-07-11 To whomever may read this book I started a study of Revelation several years ago The reason for starting this study was to try and understand the last book of the Bible So many had told me that Revelation was full of mysteries and difficult to understand I searched for something that would guide me make me think about each verse and how each passage applies to my life now and how it could in the future My great uncle had written a book many years ago that had been passed down through my family to me I used his book as my guide for my quest But as I got into the study I began writing down additional verses thoughts and life applications Also trying to relate to what we know as everyday life today to what must of seemed so foreign to John All that said this book was put together with much prayer and godly guidance to provide assistance in studying Revelation I hope it will help someone not only understand Revelation but prompt thoughts and discussions Most of all I hope this book might inspire to spread the gospel before it is too late and possibly help someone find their way to Christ **Understanding the Book of Revelation** Thomas Velez, 2018-11-15 This book is meant to be a ready reference book a verse by verse explanation to be easily used with your own Bible It retains the original Bible chapter and verse addresses and each verse has its own explanation Book chapters also align with the original short stories that make up the Book of Revelation This book does not rely on any previous concepts preconceived notions philosophies or teachings of others It was built from the ground up not from the top down as most other books on this subject do by primarily repeating what others have said Much of the problem with understanding the book of revelation has come from the assumption that the book is written entirely or almost entirely in chronological order The Book of Revelation is not in chronological order Like Isaiah and Daniel the Apostle John had several separate independent visions received over a span of time and those visions have been combined into one book Each vision was like a short story Each story was usually about a single topic event or character Much of the Book of Revelation is therefore actually a series of several separate short stories many times overlapping each other What is the Integrated Master Schedule of Events Sometimes these different stories mention a recognizable event from another story thereby identifying a common data or time point in the two different stories In this manner these common data points between the stories aid in the construction of an Integrated Master Schedule of Events of all the stories combined such as a Gantt Chart This shows the how these various stories relate to each other time wise and character wise since they overlap each other This is a technique commonly used in engineering and project management This Gantt Chart has been sequenced into a word format for clear reading at any amplification or screen size of any electronic device and for easy understanding by non engineers and non management personnel My book contains a Glossary of Terms and Symbols Appendix 2 As a ready reference and to quickly sort out and identify the most significant events characters and symbols which are likely to cause confusion a summary definition of each these things is included in a Glossary Terms and Symbols Their Biblical references and also Biblical cross references for other simultaneous or other

related events and other names for the same character or symbol are listed My book is not based on Dispensations or a Pre Tribulation Rapture As stated above my book was built from the ground up not from the top down and did not presuppose a pre tribulation rapture As such the verse by verse explanations do not presuppose it either and it turns out that it is not Biblically verified in the Book of Revelations or elsewhere in the Bible Appendix 1 in my book includes all applicable references from throughout the Bible that most people use to identify a physical rapture of living human beings before Jesus Return Each of these references is also examined with full explanations verse by verse This effort began in 1977 The Holy Bible is the foundation for my commentary and the enlightenment of the scriptures was provided by the Holy Spirit My book includes among others the stories of The evolution of the Church chapters 2 and 3 The sequence of the Trumpets and what they are chapter 7 9 The Two Witnesses chapter 11 The Glorious Church chapter 12 The Antichrist first portion of chapter 13 The False Prophet second portion of chapter 13 An assembly in Heaven and the subsequent First and Second Reaping chapter 14 The Apostate Church chapters 17 and 18 Jesus coming at Armageddon chapter 19 The Millennial Reign and Judgment chapter 20 The Eternal Kingdom chapters 21 22

Understanding the Book of Revelation (Excluding Chapters Two and Three) Repsaj Jasper, 2011-04-10 Some key points revealed in this Book are The seven horns and seven eyes of the Lamb what are they The dangerous beast popularly known as the anti Christ Who is he How can he be recognised When will he be revealed Who is the great harlot Who is the woman who rides the dangerous beast When will the wrath of the God be poured upon the whole earth The three Woes What are they How many people on the earth will be killed by the outpouring of the wrath of the God When will the anti Christ start to kill one quarter of the population of the earth Who are those to be killed by the anti Christ The geography of the whole earth will be changed When will this happen How can true believers be saved during the times of the great tribulations How can other mankind upon the earth be saved from the wrath of the God and the killing of the anti Christ

WHY THE RELEASE OF THIS BOOK The book of Revelation the last book of the Bible is perhaps the most difficult book to understand because of the intrigues and changes of scenes and requires an in depth understanding of the gospel of salvation It can only be understood through the revelation of the Holy Spirit The author started to write about the book of Revelation in 2008 but left unfinished because certain key revelations were not known but was able to complete in 2010 when the remaining key revelations were understood Many authors through the years have attempted to unravel the true meanings of the book of Revelation but with little degree of success Understanding the book of Revelation becomes **CRITICALLY IMPORTANT** to all mankind in the last days which we are in **WHY** Because toward the last days the anti Christ will reveal himself and also the wrath of the God will also be poured upon the whole earth Unless we understand the workings of the anti Christ and the requirement to escape from the wrath of the God we may not be saved The beginning and end of the book of Revelation contain the same warning and encouragement from the God to those who read it that those who keep the word of the prophecy in the book of Revelation would be supremely blest makarios Whenever the Lord Jesus

Christ used the word makarios in the Bible it always means that those who are makarios will receive everlasting life The contents of this Book Understanding the Book of Revelation should be tested against the unadulterated Word of the God the original texts of the Holy Bible to prove and or disprove its veracity *Understanding the Book of Revelation* Drew Nicholas,2025-10 **The Book of Revelation** Leon Morris,1987 Provides a section by section commentary on the New Testament book of Revelation featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background
