or medium Wordcraft shares Hart's techniques for achieving those attributes in one of the most broadly useful writing books ever written. Originally published in 2006 as *A Writer's Coach*, the book has been updated to address the needs of writers well beyond print journalists. Hart breaks the writing process into a series of manageable steps from idea to polishing. Filled with real world examples both good and bad, Wordcraft shows how to bring such characteristics as force, brevity, clarity, rhythm, and color to any kind of writing. Wordcraft now functions as a set with the second edition of Hart's book *Storycraft* on the art of storytelling, also available from Chicago.

The Best Books William Swan Sonnenschein, 1891 *Popular Science*, 2001-12. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
