Touched By Night A Dark Elf Fantasy:

Touched by Night: A Dark Elf Fantasy Danica Slate, 2014-09-02 Alanna is a High Elven scholar who has studied the strange ways of the Dark Elves for over a century. But the uneasy peace between their people is shattered when the elf maiden is taken prisoner by her dark and twisted brethren. Alanna has long studied their forbidden practices, spent many long nights absorbed in contemplation of their sexual rites and proclivities. She knows the rumours, the whispered tales, she knows them so well she dreams of them sometimes. Always in the past she was herself the captive, trapped far beneath the earth, waiting with bated breath and trembling anticipation for her twisted captors to come for her. Much as she is now.

Shadows and Hounds: A Dark Elf Epic Fantasy A.S. Etaski, Hubris brought Manalar to its knees. An eclectic alliance could lift it back up. The Godblood of Manalar hadn't much chance of defeating the Maab when I broke into the city to rescue my sister. We all know the longer Captain Isboern waits to try again, the more entrenched his enemies become. Jael and I don't want to go back, but if the Maab festers in the South, they could spread and track me as far as Sivaraus. Our best allies agree better if the northern empire is purged now and the cleansing of the sacred pool passes to the Human leader, giving all Paxia hope. Countless obstacles stand in our way, from spies and Hellhounds to demons and devils. With them come discoveries granting insight on why my Valsharess sent me to the Surface. The Ley Lines and their shadows flow and twist together in the fever of war rekindled. In them, I gain a glimpse of Her Vision. Nothing in my life has horrified me more. **Author's Note: Sons to Keep A Sister Seekers Prequel complements Book 10 of Sister Seekers by adding to its history. Sister Seekers is dark epic fantasy with an ever broadening scope. Found Family is a core theme and fans of D D will find familiar sword and sorcery. It is perfect for fans of entwined plots, challenging themes, elements of erotic horror, immersive worldbuilding. Sexuality and inner conflict play into character growth with nuance, intrigue, intense action and fantastical magic. The series begins underground with an isolated race of Dark Elves whose intricate webs first ensnare then catapult us to places a Red Sister can only imagine in her dreams.** *Hawthorne* Anthea Sharp, 2019-08-20 In the shadowed land of the Dark Elves, a hero must risk losing everything. Prince Brannilon Luthinor and his mortal bride Mara Geary have returned to the Hawthorne Court, but despite winning the war against the Void, their own personal struggles are just beginning. Shards of the Void remain in the realm, and Bran must hunt them down, leaving Mara to face the poisonous intrigues of the court alone. She soon discovers that the fate of Elfhome is far more precarious than she first believed. While she grapples with mastering her own magic and the depth of her feelings for her enigmatic husband, Bran chases down the enemy, but his foe has grown more cunning than he ever imagined. As treacherous schemes and dire enemies close in around the couple, they must learn to trust the power of their magic and their hearts before both their worlds are lost forever. From USA Today bestselling author Anthea Sharp, a richly imagined fantasy romance uniting an adventurous young woman and a fearsome Dark Elf warrior in a magical tale full of love and adventure. **KEYWORDS** Portal Fantasy Clean Romance Love Adventure Dark Elves Elise Kova Miranda Honfleur

Manlove,2020-04-16 After a decade from 1965 which had seen the growth in Britain and America of an enormous interest in fantasy literature and a rise in its academic repute from cold to lukewarm a serious study of the subject seemed long overdue In this first critical book in its time on modern English fantasy Colin Manlove surveys a representative group of modern fantasies in the Victorian period in the children s scientific and Christian fantasy The Water Babies by Charles Kingsley and the mystical fantasy of the Scottish writer George MacDonald and from the twentieth century the interplanetary romances of C S Lewis the post war fantasy of rebellious youth in Mervyn Peake s Gormenghast books and the quest to avert apocalypse in J R R Tolkien s The Lord of the Rings The aim with all these works is to show the peculiar

literary experiences they offer and to assess their strengths and limitations in relation to wider English literature In the introduction to his book Manlove gives a definition of fantasy marking off the genre from its near neighbors science fiction and Gothic or horror story and distinguishing between fantasies that are serious works of imagination and those that are fanciful or escapist Each chapter that follows is primarily a literary analysis set in a context of the writer s life thought and other works As the book proceeds there begins to emerge a picture of the originality and merit of the writers but at the same time the sense of a division in the purpose of each writer whereby their works fail to abide by their own laws In the conclusion to this book Manlove draws the different types of division found into one and argues that the problem is one that is endemic to the writing of modern fantasy
