

Service is the answer to all the anxiety of the Volkswagen owner. And that answer is provided by the most complete and authoritative Volkswagen information source in the car world—the Volkswagen Official Service Manual.

Volkswagens are constantly being improved and sometimes such changes—both in parts and specifications—are made applicable to older cars. Thus, a Volkswagen part to be used on an older VW may not be the same as the part used in the original Volkswagen. Such changes are noted in the Manual.

This Type 1 Manual covers the Beetles, Convertibles, and Karmann Ghia of Model Years 1966, 1967, 1968, and 1969. More is a sample of the kind of information you will find in this Volkswagen Official Service Manual.
