Honour, Exchange and Violence in Beowulf Peter Stuart Baker, 2013 Argues for a new reading of Beowulf in its contemporary context where honour and violence are intimately linked This book examines violence in its social setting and especially as an essential element in the heroic system of exchange sometimes called the Economy of Honour It situates Beowulf in a northern European culture where violence was not stigmatized as evidence of a breakdown in social order but rather was seen as a reasonable way to get things done where kings and their retainers saw themselves above all as warriors whose chief occupation was the pursuit of honour and where most successful kings were those

perceived as most predatory Though kings and their subjects yearned for peace the political and religious institutions of the time did little to restrain their violent impulses Drawing on works from Britain Scandinavia and Ireland which show how the practice of violence was governed by rules and customs which were observed with variations over a wide area this book makes use of historicist and anthropological approaches to its subject It takes a neutral attitude towards the phenomena it examines but at the same time describes them forthrightly avoiding euphemism and excuse making on the one hand and condemnation on the other In this it attempts to avoid the errors of critics who have sometimes been led astray by modern assumptions about the morality of violence PETER S BAKER is Professor of English at the University of Virginia Memoirs of the Life of Mr. Ambrose Barnes, Late Merchant and Sometime Alderman of Newcastle Upon Tyne William Hylton Dyer Longstaffe, 1867 *Cost of Honor* Radclyffe, 2019-11-12 Secret Service Agent Oakes Weaver is in the midst of the biggest assignment of her career leading the advance team for President Andrew Powell's impending trip to Philadelphia where everyone expects he will be nominated to run for a second term The last thing she needs is a tragedy among the president's inner circle that might not be an accident or the sudden recruitment of Ari Rostof a woman who might be a lot more than she seems But Oakes doesn't get a say in policy She only has to secure the president's safety at all costs First Daughter Blair Powell and her spouse Cameron Roberts are among the reelection campaign members accompanying President Andrew Powell to Philadelphia While the president may be protected by his Secret Service agents those close to him are literally in the kill zone and his adversaries will stop at nothing to further their cause even mass murder **Memoirs of the Life of Mr. Ambrose Barnes ...** Ambrose Barnes, 1867 Memoirs of the Life of Mr. Ambrose Barnes, Late Merchant and Sometime Alderman of Newcastle Upon Tyne Ambrose Barnes, 1867 **Publications of the Surtees Society**, 1867 **A Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire**, 1868 **Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire**, 1868 **A New English Dictionary on Historical Principles** Sir James Augustus Henry Murray, 1905 *The Annual American Catalog*, 1905, 1906 **Saturday Review of Literature**, 1926 **Gendering Classicism** Ruth Hoberman, 1997-01-01 Gendering Classicism explores the intersection of feminism historical fiction and modernism through the work of six writers all of whom wrote historical novels set in ancient Greece or Rome Naomi Mitchison Mary Butts Laura Riding Phyllis Bentley Bryher and Mary Renault As women gained access to higher education in the late nineteenth century they gained access also to the classical learning that had for so long demarcated and legitimated the British ruling classes Steeped in misogyny the classical tradition presented educated women with a massive project the recasting of that tradition in terms that acknowledged the existence of women as historical agents and interpreters of the historical past **A New English Dictionary on Historical Principles** James Augustus Henry Murray, Henry Bradley, Sir William Alexander Craigie, Charles Talbot Onions, 1909 Forthcoming Books Rose Arny, 1998-06 **Readers' Guide to Periodical Literature**, 1916 **The Annual American**
