Riffel, Ph.D., Jessica R. Eggleston, Doctoral Candidate, 2016-08-29 This book focuses on tier two strategies for classroom management When teachers feel empowered with information classroom management is easier This book is filled with specific strategies based on Dr Riffel s Triple T Triple R chart The three T s are 1 Trigger what sets the behavior in motion 2 Target what behavior do you want to target for change and 3 impacT what is the student gaining or escaping by engaging in this behavior The three R s to combat the three T s are 1 Revise the environment set the student up for success by changing the environment 2 Replace the behavior Teach the student what you want to see instead of telling them what not to do and 3 Reframe your response change how you react to the target behavior and feed the replacement behavior When these three formats are followed the behavior dissipates This book also includes specific strategies on many common classroom target behaviors This book coincides with Dr Riffel s Tier Two Training **Writing a Behavioral Intervention Plan Based on a Functional Behavior Assessment Two Day Seminar** Laura A. Riffel, Ph.D., 2016-08-31 Dr

Riffel developed a training for Functional Behavior Assessments and Behavioral Intervention Planning after working in a statewide program and assisting schools with Tier Three behavior. She developed a system that is so easy to use a kindergarten teacher with 25 students could still collect the necessary data to make data based decisions for a student. This book is set up to be a two day training where participants learn on day one the data that is being sought and how to analyze it by hand. On day two the participants learn how to enter this data into a free easy to use FBA Data Tool that graphs ABC data and makes data based decision making even easier.

The ^AOxford Handbook of the Disney Musical Dominic Broomfield-McHugh, Colleen Montgomery, 2025-03-28 The Oxford Handbook of the Disney Musical both celebrates and critiques one of the most enduring global phenomena and considers many of the studio's most popular animated films as well as Disney's extraordinarily rich activities such as video games, theme parks and television. By using new insights from the archives and bringing together a range of disciplinary perspectives the Handbook presents an accessible but rigorous exploration of a century of cultural impact of the Walt Disney Company.

The Lenormand Fortune Telling Book Andreas Nostra Dahm, 2024-03-13 For centuries many people have felt the need to find out more about their future and their personal fate. In the late 18th and 19th centuries cartomancy experienced a popular boom in Europe. During this time 36 small Lenormand Cards were created. With its facts about the origins and origins of Lenormand Cards this book enables you to learn how to unravel the future with these popular fortune telling cards just as it was once practiced long time ago. In addition to the traditional and historical core meanings of the 36 cards a list of everyday themes such as love, work and finances as well as other general and explanatory keywords make it possible to actively acquire knowledge. Explanations on the first steps with small modern divination methods as well as a description how to read the GT grand spread in both a modern and classic way also enable a further understanding of the possible interpretations of the cards. This textbook in the art of card reading may be an inspiration and a dictionary of the language of Lenormand Cards for both beginners and advanced.

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
