role in the war would seem reason enough but the Assassin's master has much deeper motives Brilliant but troubled Shallan strives along a parallel path Despite being broken in ways she refuses to acknowledge she bears a terrible burden to somehow prevent the return of the legendary Voidbringers and the civilization ending Desolation that will follow The secrets she needs can be found at the Shattered Plains but just arriving there proves more difficult than she could have imagined Meanwhile at the heart of the Shattered Plains the Parshendi are making an epochal decision Hard pressed by years of Alethi attacks their numbers ever shrinking they are convinced by their war leader Eshonai to risk everything on a desperate gamble with the very supernatural forces they once fled The possible consequences for Parshendi and humans alike indeed for Roshar itself are as dangerous as they are incalculable
