Chances are that if you have ever tried a fitness program you will find that you have begun with great enthusiasm and motivation but in the beginning you have fallen victim to all of the big 3 killers of exercise programs: time, motivation, and energy. Let's take a look at all of them to see why they kill programs and what you need to get back on track with a program you maintain. Most programs just take too long. People are too busy and do not have the time to do an hour or more every day as a routine. For many with a full-time job and family responsibilities, it is practically impossible to find even 10 minutes to exercise and do not mention multi-tasking back and forth between the gym. The people who run these multi-tasking programs make their lives so hectic that they will not train. Beauty: At some point in your lives, you will have to start learning a couple of things, but make sure you make time for yourself. The need of going through the trouble of going to the gym every morning, but most of us love the feeling. A good workout will not make you feel miserable and do not waste time. I make a list of things that I do and check them off. Check this eBook: Fitness And Beauty and you will find answers.
