To Rise Again At A Decent Hour A Novel:

To Rise Again at a Decent Hour Joshua Ferris, 2014-05-13 Shortlisted for the Man Booker Prize this big brilliant profoundly observed novel by National Book Award Finalist Joshua Ferris explores the absurdities of modern life and one man's search for meaning Paul O'Rourke is a man made of contradictions he loves the world but doesn't know how to live in it He's a Luddite addicted to his iPhone a dentist with a nicotine habit a rabid Red Sox fan devastated by their victories and an atheist not quite willing to let go of God Then someone begins to impersonate Paul online and he watches in horror as a website a Facebook page and a Twitter account are created in his name What begins as an outrageous violation of his privacy soon becomes something more soul-frightening the possibility that the online Paul might be a better version of the real thing As Paul's quest to learn why his identity has been stolen deepens he is forced to confront his troubled past and his uncertain future in a life disturbingly split between the real and the virtual At once laugh-out-loud funny about the absurdities of the modern world and indelibly profound about the eternal questions of the meaning of life love and truth To Rise Again at a Decent Hour is a deeply moving and constantly surprising tour de force

Borrowed Voices Jennifer Glaser, 2016-03-10 In the decades following World War II many American Jews sought to downplay their difference as a means of assimilating into Middle America Yet a significant minority including many prominent Jewish writers and intellectuals clung to their ethnic difference using it to register dissent with the status quo and act as spokespeople for non-white America In this provocative book Jennifer Glaser examines how racial ventriloquism became a hallmark of Jewish American fiction as Jewish writers asserted that their own ethnicity enabled them to speak for other minorities Rather than simply condemning this racial ventriloquism as a form of cultural appropriation or commending it as an act of empathic imagination Borrowed Voices offers a nuanced analysis of the technique judiciously assessing both its limitations and its potential benefits Glaser considers how the practice of racial ventriloquism has changed over time examining the books of many well-known writers including Bernard Malamud Cynthia Ozick Philip Roth Michael Chabon Saul Bellow and many others Bringing Jewish studies into conversation with critical race theory Glaser also opens up a dialogue between Jewish American literature and other forms of media including films magazines and graphic novels Moreover she demonstrates how Jewish American fiction can help us understand the larger anxieties about ethnic identity authenticity and authorial voice that emerged in the wake of the civil rights movement

Flat-World Fiction Liliana M. Naydan, 2021-12-15 Flat World Fiction analyzes representations of digital technology and the social and ethical concerns it creates in mainstream literary American fiction and fiction written about the United States in the first two decades of the twenty-first century In this period authors such as Don DeLillo Jennifer Egan Dave Eggers Joshua Ferris Jonathan Safran Foer Mohsin Hamid Thomas Pynchon Kristen Roupenian Gary Shteyngart and Zadie Smith found themselves not only implicated in the developing digital world of flat screens but also threatened by it while simultaneously attempting to critique it As a result their texts explore how human relationships with digital devices and

media transform human identity and human relationships with one another history divinity capitalism and nationality Liliana M Naydan walks us through these complex relationships revealing how authors show through their fiction that technology is political In the process these authors complement and expand on work by historians philosophers and social scientists creating accessible literary road maps to our digital future
