appear odd or singular impairs the purity of the language and is apt to create a disrelish for it in those who have not by long practice contracted a like predilection It may require some effort to subdue this predilection but it may be done and for the sake of the rising generation it is desirable The language of the scriptures ought to be pure chaste simple and perspicuous free from any words or phrases which may excite observation by their singularity and neither debased by vulgarisms nor tricked out with the ornaments of affected elegance Noah Webster 1833 *Life and Labour* Samuel Smiles,1887 An Exposition of the Old Testament ,1819 **Notes and Queries for Worcestershire** John Noake,2018-09-21 Reproduction of the original Notes and Queries for Worcestershire by John Noake *A Commentary on the Epistles for the Sundays and Other Holy Days of the Christian Year* William Denton,2024-08-06 Reprint of the original first published in 1881
