Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology The Poetry Book Curtis D. Vick, 2014-03-25 The Poetry Book is more than a collection of poems it is instructive as to poetic technique and convention as well as types of poetry In it there are no prose paragraphs that have been restructured into stanzas or mysteriously configured and presented as poems with diction and subject little more interesting than closed garage doors in a tract home subdivision There is free verse here and traditional rhythm and rhyme but it is all poetry And it is poetry not because the author wants it to be but because of the poetic techniques and conventions he has employed A stanza does not a poem make nor does bombastic delivery If the traditions rules of writing and conventions of literary history are of no value to poetry then there is no poetry **Poetry People** Sylvia M. Vardell, 2007-06-30 Dr Sylvia Vardell's new children's poetry reference book provides a comprehensive introduction to more than 60 contemporary young people's poets Focusing primarily on those who are still actively writing today the author includes poets appropriate for young children through young adults Each entry features brief biographical information highlights selected poetry books authored showcases awards won notes related Web sites and provides suggestions for making connections programming ideas related books and activities The book is ideal for librarians who serve children and young adults as well as for teachers and others who work with children and young adults Beginning with Arnold Adoff the list of poets is both impressive and informative A sample Francisco Alarcon Aileen Fisher Douglas Florian Nikki Giovanni Kristine O'Connell George Jane Yolen Eloise Greenfield John Ciardi and many more Poetry of the People Donald W. a rounded view of the great writer s opinions on the literature of his day and the vessels in which it was sold **Literary History** Anders Pettersson, Gunilla Lindberg-Wada, Margareta Petersson, Stefan Helgesson, 2006 Literary History Towards a Global Perspective is a research project funded by the Swedish Research Council Vetenskapsr det Initiated in 1996 and launched in 1999 it aims at finding suitable methods and approaches for studying and analysing literature globally emphasizing the comparative and intercultural aspect Even though we nowadays have fast and easy access to any kind of information on literature and literary history we encounter more than ever the difficulty of finding a credible overall perspective on world literary history Until today literary cultures and traditions have usually been studied separately each field using its own principles and methods Even the conceptual basis itself varies from section to section and the genre concepts employed are not mutually compatible As a consequence it is very difficult if not impossible for the interested layperson as well as for the professional student to gain a clear and fair perspective both on the literary traditions of other peoples and on one s own traditions The project can be considered as a contribution to gradually removing this problem and helping to gain a better understanding of literature and literary history by means of a concerted empirical research and deeper conceptual reflection The contributions to the four volumes are written in English by specialists from a large number of disciplines primarily from the fields of comparative literature Oriental studies and African studies in Sweden All of the literary texts discussed in the articles are in the original language Each one of the four volumes is devoted to a special research topic **Everyone's Poetry Book** Richard Wolff, 2005-07 Everyone s Poetry Book A book that shows every poetry lover that modern poetry can be understandable Why should the lover of the beauty of language put up with unintelligibility in his own native tongue Why should the reader of poetry face exile in searching for the best words in their best order In reading Richard Wolff you will see that only the lover of language someone on intimate terms with her impervious ways can begin to know what the best words and the best order may be John McCabe You ll thus note that Richard Wolff prides himself on his clarity concreteness and adherence to the discipline of poetic structure virtues much ignored in current literary circles At their best moments the results of the poems of this collection create impressions of a voice of startling spontaneity In Richard Wolff s pages Though we cannot always decipher why or how it happens we rely on poetry to increase our knowledge of ourselves and to confirm us in the truth of our experience there courses through these poems one primary passion that serves to bind together and direct all the others the poet s passion for Beauty If therefore you can reach for only one book of modern poetry from your bookshelf reach for Everyone s Poetry Book In it you will find reward and fulfillment Mr Wolff spent most of his adult working life serving our nation in federal publishing managing four Department of Defense printing plants in a 14 state Midwestern area He and his wife Nancy live in northeast Illinois in Lindenhurst close to the Illinois Wisconsin border and have 17 natural born children 12 girls and 5 boys **Eyes of Optimism and Pupils of Faith** Shayan Raei, 2021-08-31 About the book This book is a collection of poems that explore what it means to be a human a soul

and an entity in this life I know deep down each person is here for a specific reason and it is not that easy for anybody to realise what that reason is The world is changing at even a faster pace now so many of us want to attach to what was so many are attached to what is and many are could be looking towards to what is becoming Which is the evolving human consciousness of who we are In so many cases we think we have all the answers in so many cases we think we have none This book of poetry wants to dance in the middle of such dilemma better yet of such awakening that is happening in all of us It s only right we gradually wake up as we ve been asleep our whole lives As we wake up from our habitual ways of being as we begin to question more and more we can t help but move towards our soul s expansion it s as though we are all feel our evolving and want to keep up with our soul s journey We begin to tear down the walls rip back the layers unwire the wiring and draw a new painting on our life s canvas Since moments when we feel connected and whole are specifically moments we want to increase in our lives till it becomes a part of us better yet who we are The poetry in this book is here to ignite inspire and rekindle that connection like returning back to nature or looking deeply in the mirror and seeing your soul excited to live each moment in front of you and to contribute here in some way
