To Live By Yu Hua:

To Live Yu Hua, 2007-12-18 Originally banned in China but later named one of that nation's most influential books a searing novel that portrays one man's transformation from the spoiled son of a landlord to a kindhearted peasant. A work of astounding emotional power. Dai Sijie author of *Balzac and the Little Chinese Seamstress*. From the author of *Brothers and China in Ten Words* this celebrated contemporary classic of Chinese literature was also adapted for film by Zhang Yimou. After squandering his family's fortune in gambling dens and brothels the young deeply penitent Fugui settles down to do the honest work of a farmer. Forced by the Nationalist Army to leave behind his family he witnesses the horrors and privations of the Civil War only to return years later to face a string of hardships brought on by the ravages of the Cultural Revolution. Left with an ox as the companion of his final years Fugui stands as a model of gritty authenticity buoyed by his appreciation for life in this narrative of humbling power.

China in Ten Words Yu Hua, 2011-11-08 From one of China's most acclaimed writers his first work of nonfiction to appear in English a unique intimate look at the Chinese experience over the last several decades told through personal stories and astute analysis that sharply illuminate the country's meteoric economic and social transformation. Framed by ten phrases common in the Chinese vernacular people leader reading writing Lu Xun one of the most influential Chinese writers of the twentieth century disparity revolution grassroots copycat and bamboozle *China in Ten Words* reveals as never before the world's most populous yet oft misunderstood nation. In *Disparity* for example Yu Hua illustrates the mind boggling economic gaps that separate citizens of the country. In *Copycat* he depicts the escalating trend of piracy and imitation as a creative new form of revolutionary action. And in *Bamboozle* he describes the increasingly brazen practices of trickery fraud and chicanery that are he suggests becoming a way of life at every level of society. Characterized by Yu Hua's trademark wit insight and courage *China in Ten Words* is a refreshingly candid vision of the Chinese miracle and all its consequences from the singularly invaluable perspective of a writer living in China today.

Contemporary Chinese Novels in Translation since 1978 Yun Wu, 2024-10-14 This book aims to complement the traditional focus of translation studies which has primarily centered on translating English into other languages. It presents a comprehensive analysis of the reverse translation trajectory exploring the movement of Chinese literature into the core English literary domain. The book aims to explore the ideological and sociological dynamics that underlie the translation of contemporary Chinese novels. This is achieved through an examination of the translation selection process translation paratexts and the roles of translation agents. Case studies are employed to illustrate specific linguistic literary and cultural challenges within translation. It dissects the cultural and literary implications of translating genres such as women's writing science fiction and Internet literature. The argument presented is that the translation of peripheral literature is indispensable in shaping global literature. Beyond its literary implications the book identifies the political significance inherent in such reverse translation endeavors. It suggests that the translation of Chinese literature holds notable political interest for the Chinese government which aims to reshape
