

Grade 2 Paragraph Writing

The image displays three overlapping worksheet templates for paragraph writing, each with a 'Name:' and 'Date:' field at the top.

- Paragraph Structure:** This worksheet includes a diagram of a burger where the bun represents the topic sentence and the toppings represent details. It explains that paragraphs usually have at least two or three details that support the main idea. A box defines details as information that supports the topic sentence. It prompts the student to complete a topic sentence about being older and to write three supporting details in a numbered list.
- Arranging Text:** This worksheet instructs the student to read sentences, cut them out, and decide the correct order to make a complete paragraph. It provides a large area for pasting the sentences and a dashed line for writing the final paragraph.
- Paragraph Organizer:** This worksheet guides the student through writing a paragraph by providing a topic sentence line, followed by three lines for details (labeled 'Detail #1', 'Detail #2', and 'Detail #3'), and a final line for the concluding sentence.

A large, cartoon-style burger is positioned in the bottom right corner of the worksheet area.
