Forging connections with an astonishing array of consequential players on the American scene in the decades following World War II from Paul Robeson to Ed Sullivan John Kennedy to Stokely Carmichael Belafonte established his place in American culture as a hugely popular singer matinee idol internationalist and champion of civil rights black pride and black power. In *Becoming Belafonte* Judith E. Smith presents the first full length interpretive study of this multitalented artist. She sets Belafonte's compelling story within a history of American race relations black theater and film history McCarthy era hysteria and the challenges of introducing multifaceted black culture in a moment of expanding media possibilities and constrained political expression. Smith traces Belafonte's roots in the radical politics of the 1940s his careful negotiation of the complex challenges of the Cold War 1950s and his full flowering as a civil rights advocate and internationally acclaimed performer in the 1960s.
