## BUSINESS TABOOS SHOULD BREAK!

JOHN SMITH: «NEVER MESS WITH BUSINESS  
AND HERE'S THE REASONS WHY»

Business is the backbone of our society, and it's time we started treating it as such. For too long, we've been held back by outdated rules and regulations that stifle innovation and growth. It's time to break the business taboos that have kept us stagnant for so long. We need to embrace change and innovation, and we need to stop being afraid of failure. Business is not just about making money; it's about creating jobs, improving lives, and making the world a better place. It's time to stop being afraid of the unknown and to start embracing the possibilities that business has to offer.
