The Ever-Loving Truth Voddie Baucham,2004 Voddie Baucham has a message for Christians in today s postmodern culture it s time to take a stand for the truth The Ever Loving Truth addresses the cost of being a twenty first century Christian in a world quickly running away from the concept of absolute truth much less the knowledge and wisdom of truth But the unchanging truth of God s Word still holds preeminence in relevance and answers to contemporary life issues The Ever Loving Truth shows how committed Christians in society today just like the New Testament writers Peter and John can as followers of Christ stand humbly but boldly in the marketplace of ideas and proclaim the truth to a culture void of everlasting answers Book jacket The "Truth" of the Bible Stanley A. Cook,2023-04-25 **Troubling Women's Studies** Ann Braithwaite,2004 The four essays in this collection present a multifaceted conversation about what is at stake in passing on the institutionalized project of Women s Studies at this historic moment The authors come to this conversation from a diversity of histories commitments and investments in Women s Studies Framed by the argument that Women s Studies is a project fraught with uncertainty the authors explore what it means to live within this uncertainty and how one might respond

to it intellectually emotionally politically institutionally and pedagogically In exploring their own responses and taking into consideration responses from other feminist intellectuals the authors subject their practices to the same kind of academic critique to which they subject the discipline its location theories methods and pedagogies The purpose of these essays is not to enact these responses nor to fix a firm direction for the future of the discipline but rather by looking back and attending to the now inspire us to grapple with what might be possible

Bicultural Literature and Film in French and English Peter I. Barta, Phil Powrie, 2015-12-22 This book focuses on literature and cinema in English or French by authors and directors not working in their native language Artists with hybrid identities have become a defining phenomenon of contemporary reality following the increased mobility between civilisations during the postcolonial period and the waves of emigration to the West Cinema and prose fiction remain the most popular sources of cultural consumption not least owing to the adaptability of both to the new electronic media This volume considers cultural products in English and French in which the explicitly multi focal representation of authors experiences of their native languages cultures makes itself conspicuous The essays explore work by the peripheral and those without a country while problematising what might be meant by the widely used but not always well

defined term bicultural The first section looks at films by such well known filmmakers working in France as Bouchareb Kechiche Legzouli and Dridi as well as the animated feature Persepolis Here the focus is on the representation of human experience in spatial terms exploring the appropriation of territory cohabited by local people newcomers and their children haunted by the cultural memories of distant places The second part is devoted to multicultural authors whose native language was English Russian Polish Hungarian or Spanish Beckett Herzen Vovseykova Triolet Conrad Hoffmann Kristof Dorfman and their creative engagement with difference A study of the emergence of multilingual writing in Montaigne and an autobiographical essay by Elleke Boehmer on growing up surrounded by English Dutch Afrikaans and Zulu frame the volume s chapters The collection relishes the freedom provided by liberation from the confines of one language and culture and the delight in creative multilingualism This book will be of significant interest to those studying the subject of biculturalism as well as the fields of comparative literature and cinema

The Secret Lives of Girls Sharon Lamb,2002-03 From playground games of chase and kiss to rough and tumble soccer games from slumber party stripteases to romantic fantasies behind closed doors author Sharon Lamb coaxes out girls true stories with uncommon sensitivity and focus The result of more than 125 fascinating interviews with pre teens teenagers and adult women The Secret Lives of Girls reveals the ways that girls use their minds and bodies for private sexual play mischief and hidden aggression To truly understand what little girls are made of Lamb suggests we must listen not only to what they say to us but also to what they don t say taking into account their hidden selves and the lives that we adults don t see Yes girls are known to be good but they manage to act out in decidedly ungirlish ways and despite many parents fears be the better for it What s most remarkable about Lamb s conclusions is that we needn t join the chorus of voices deploring a girl poisoning culture for damaging our daughters Instead Lamb finds reason to celebrate girls resilience in the face of pressures to conform and she does it by l

Violence and the Sacred René Girard,2005-04-13 Ren Girard 1923 was

Professor of French Language Literature and Civilization at Stanford University from 1981 until his retirement in 1995

Violence and the Sacred is Girard's brilliant study of human evil. Girard explores violence as it is represented and occurs throughout history, literature, and myth. Girard's forceful and thought-provoking analyses of Biblical narrative, Greek tragedy, and the lynchings and pogroms propagated by contemporary states illustrate his central argument that violence belongs to everyone and is at the heart of the sacred. Translated by Patrick Gregory. Beijing Review, 1979. **In the Darkness, a Match Was Lit** Desnee Trevena, 2022-11-16. I was a young girl wanting nothing more than to be loved. From an early age until I found recovery, my voice was silent unless I was drunk and angry. I became violent. I became someone I hated but also someone who realized that I had the gift of being a woman. I used that to empower myself. After 20 plus years of addiction, I wanted to change my life and do right by my children. The road to recovery was a winding one. I am still working on me and being the best that I can be. **I Carry the Cross, Too** Christopher Alan Anderson, 2012-09-13. No doubt anyone who attempts to complete the message of Jesus Christ opens himself up to question and perhaps ridicule. But I ask: what are we now to do? We are at a crossroads not knowing which way to turn. In this work, I try to provide a direction and so carry that responsibility for you. See, I carry the cross too, just as you will upon receiving this work. The speaking of the truth is the taking of the stand for life. Of course, our words must come from the balance, silence, and they will as we stand up for life. Each time a man stands up for a woman and a woman stands up for a man, life is consecrated. I Carry the Cross too. The Completion of the Message of Jesus Christ. Author Bio: Christopher Alan Anderson, 1950, received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was, he responded: Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half, right now. Keywords: Truth, Life, Christ, Teachings, Spiritual. Man, Woman, and God Christopher Alan Anderson, 2012-09-13. This writing presents to man a new conception and definition of God based on man and woman balance, procreative love. It includes four separate works: The Community of Man and Woman, The Eternal Marriage, I Carry the Cross too, The Completion of the Message of Jesus Christ, and Man, Woman, and God. The new theology of creative balance presents us with a new Trinity. The new Trinity is comprised of God the Father and God the Mother, their interaction, love together, creating the holy, pure child. It is balanced. We leave behind the old Trinity of God the Father, God the Son, and God the Holy Spirit. We leave it behind because it did not place male and female in the position of co-creator with their other half, Man, Woman, and God. Four
