MOROCCAN COOKBOOK-NIGHT AND DAY- Naho Terada,Ettouhami Mouay Ahmed,2014-10-31 What comes to mind when you think Morocco It s impossible to describe the taste of Moroccan cooking in one sentence Just as the country s culture has been influenced by a multitude of countries both European and Middle Eastern their cooking is a complex mix of both authentic recipes born in Morocco and foreign influences You may sometimes be surprised at the combination of ingredients but the actual thrill of the tasting it is something I hope you can experience yourself Spices are an important part of Moroccan cooking Spices used in Morocco are not spicy but have a very gentle taste that is good for your skin and body Wouldn t it be nice if it were possible to experience both a healthy and beautiful life as a result of eating delicious dishes which include a little bit of spice rather than relying on supplements This book will introduce you to Moroccan recipes that are based on four different spices Even if you have never used spices before as long as you have these four spices which are easily found at local supermarkets you can cook Moroccan dishes easily However if you are well versed with the use of spices you can refer to our Moroccan lessons for a more authentic taste
