with fun and humour Inspired The Times Delightful Daily Express Children of the Streets of Richmond, 1865-1920 Harry M. Ward, 2015-06-04 Richmond in the late 19th century was not the genteel peaceful community historians have made it Virginia's capital was cosmopolitan boisterous and crime ridden From 1905 to 1915 there was an official red light district The police had their hands full with drunks and riffraff and a variety of street urchins and waifs most of whom were very poor found themselves on the wrong side of the law The juvenile delinquents of Richmond some barely out of infancy were held accountable in the Police Court A juvenile court system was not established until 1916 Presiding over the Police Court for 32 years was Justice John Jeter Crutchfield who though unlearned in the law functioned like a biblical Solomon but with great showmanship The Police Court attracted many tourists and some of Virginia's literary figures cut their teeth writing newspaper coverage of the proceedings vying with each other for the most hilarious slant What emerges from the public record is an amusing and touching picture of what life was really like in the post Reconstruction urban South Sex and Leisure Diana C. Parry, Corey W. Johnson, 2020-12-17 This book uses the emerging and cutting edge area of leisure research to highlight the importance of sexuality and sexual activity and its relevance to leisure studies It brings to the fore some complex issues associated with this topic using a range of substantive epistemological theoretical and methodological approaches Drawing on international scholarship the book examines sexuality from multiple and at times competing directions exploring the continuum of sex from work through to carnal pleasure and across specific sexual practices including BDSM pornography stripping and sex work Drawing on critical feminist queer and post theoretical perspectives the book charts a new direction for leisure studies and sex research including diverse understandings of leisure practice sex positivity fringe and deviant sex practices Critically the book moves beyond merely establishing sex as a leisure pursuit to focusing on the compelling and complex intersections between sexuality and leisure This is fascinating reading for any student or researcher with an interest in leisure sexuality gender cultural studies or sociology Nickelodeon, 1917

The Billboard, 1927 **Acts of Gaiety** Sara Warner, 2012-10-26 Against queer theory's long suffering romance with mourning and melancholia and a national agenda that urges homosexuals to renounce pleasure if they want to be taken seriously Acts of Gaiety seeks to reanimate notions of gaiety as a political value for LGBT activism by recovering earlier mirthful modes of political performance The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety including camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside legitimate theater at the center of the social and theatrical performances of the era Juxtaposing figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch and Animal and the Five Lesbian Brothers Sara Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging Acts of Gaiety explores the mutually informing histories of gayness as politics and as joie de vivre along with the centrality of liveliness to queer performance and protest The Country Gentleman
