Used On My Wedding Day:

How I Planned Your Wedding Susan Wiggs, Elizabeth Wiggs, 2011-01-25 Bestselling author Susan Wiggs literally wrote the book on happily ever after love But orchestrating her daughter Elizabeth's real world wedding turned into a different story altogether and one that takes two to tell the mother and the bride Here is the all too true tale of a mother and daughter collaborating on life's ultimate celebration a dream wedding Often poignant sometimes irreverent and always hilarious this charming book is also packed with useful advice from both ends of the cupcake tasting table Join mother and daughter as they wade through the trenches of flowers and favors grueling gown decisions and the cold cruel realities of a budget With luck love and loads of patience they come out on the other side bloodied but unbowed replete with life lessons and closer than ever before Recollections of by-gone days Louisa Mure, 1883 **29 1/2 Years of Marriage** Ruth J.

Webb, 2008-08-07 *Surviving the Unimaginable* By Ruth Janie Webb He beat me with a hammer He beat me with a bat He strangled me until all of my breath had gone and I was left for dead He shoved the barrel of a 22 raffle in my mouth and told me he'd blow my brains out and kill the children too So when he spit on me bit me slapped me or kicked me it didn't seem so bad Self esteem What self esteem As bad as the physical abuse was the mental abuse seemed almost worse My husband would brag to me that he had other women that were prettier smarter and more desirable I was left alone with the children for days at a time He would leave because the house was too noisy He'd leave when the bills were due He'd leave to visit those other women If I dared ask where he'd been he'd beat me yet again Women who stay in abusive relationships are afraid Only God can deliver It takes God to give a woman the strength and ability she needs to step away from this type of demonic controlling relationship I know the excuses I used them myself I don't have any where to go There is always somewhere to go I don't want to leave my stuff Baby when you're really ready and you have had enough you will leave everything When I left my first husband I left everything in that house I went to work and never returned I only had the clothes on my back My babies need their daddy If you don't seek help and leave that abusive relationship you and your babies will end up dead He will kill me if I leave He will kill you if you stay He will change No he won't Not without God's help He has to want God's help for himself not because you want him to want God He said he was sorry He is sorry if he put his hands on you He is a coward living in the shell of a man He loves me Love is not abusive He only does it when he's drunk Then he needs to stop drinking These are just a few of our excuses No one deserves to be beaten no one Not for any reason Stop blaming yourself I thank God that He was with me and allowed me to make it out alive It was only His divine protection and love that allowed us to make it out alive You must stop endangering and damaging yourself and your children Once I gave my life to God I no longer had low self esteem I picked up my head and walked in who God said I was I survived the unimaginable and you can too Now instead of dwelling on the pain and regret of 29 1/2 years of marriage that nearly killed me and my children I am using the experience to help others God is using me to encourage and minister to both men and women who are in abusive
