Sys-Tao Robert F. Browne, 2015 Sys-Tao: Western Logic - Eastern Flow Bob Browne, 2014-12 The story of the transformation of Great Plains Coca Cola Bottling Company from an inefficient struggling small business into one of the most successful companies in America Bob Browne spent his career trying to find a more lifelike structure for business management Inspired by everything from eastern spirituality to biological evolution to modern neuroscience Browne created a management system he calls Sys Tao Triumphant Surrender Tony Green, 2023-02-09 Search the internet The words triumphant and surrender are not typically found together After all winners triumph and losers surrender right In the world aEUR tm s eyes that is certainly right Yet from a kingdom perspective triumphant and surrender are a perfect match The pivotal point of surrender to God aEUR tm s plan for our lives occurs when we admit that our ways and thoughts are undeniably subordinate to God aEUR tm s ways and thoughts Once that happens God uses the gospel of Jesus Christ the transforming work of the Holy Spirit and the profound truths of the Bible to orchestrate a magnificent triumph in us and through us This is a story of the dramatic events in one man aEUR tm s life These pages reveal what can happen when we walk in harmony with God versus the startling contrasts of what can happen when we thumb our nose at God Can any of us imagine what might have happened in the Garden of Gethsemane had Jesus said aEURoeNot thy will Father but mine be done aEUR Hell would have cackled with glee for far longer than just three days In a lonely hotel room one night in Hamburg Germany as anger against God heightened this Spirit fueled discourse was born destined to help the hurting offer clarity to the confused and spark hope in the hopeless What do you believe Is triumphant living about trying harder or might it be about believing bigger and surrendering deeper What do you think God aEUR tm s will for your life is Do you know what His call upon your life is Have you consistently succeeded in filling the God shaped hole in your heart Does your identity bring you peace and joy pride and accomplishment or shame and defeat Would you like your life to be transformed like a butterfly in a cocoon Do you believe living triumphantly in Christ can be your reality This memoir of one man aEUR tm s testimony interwoven with hundreds of scriptures is written in easy to understand prose that sheds light on each one of these profound questions May these pages forever alter the course of your life and lead you to your own Triumphant Surrender The Root Cause: Rethink Your Approach to Solving Stubborn Enterprise-Wide Problems Hans Norden, 2022-04-26 Impeccably researched and astoundingly insightful The Root Cause reveals how to go from putting out fires to finding true lasting solutions A must read guide for executives and leaders at any stage of their career Marshall Goldsmith Thinkers50 1 Leadership Thinker and 1 New York Times bestselling author of Triggers Businesses large and small have their day to day operations disrupted by new and unforeseen circumstances Typically these disruptions manifest themselves in many forms such as disappointing top line results low employee engagement the war for talent a lack of creativity and innovation eroding profit margins price wars fraud and ethics violations Such unintended and unwanted effects are mere symptoms of a

dysfunctional business system That means their root causes are inherent to that system s design structure or organization implementation or operation maintenance and management which are all exclusive executive responsibilities Until executives adapt and adjust their business systems accordingly these problems will keep recurring prompting the erroneous belief they are without solution In this groundbreaking guide change management consultant Hans Norden challenges you to rethink your approach to solving stubborn enterprise wide problems by demonstrating that real solutions are in fact readily available Rather than prescribing HOW to solve a dysfunctional system s countless symptoms he describes WHY systemic problems occur and keep manifesting in one form or another Once you understand the principles that explain and predict the outcome of your decision making process you will forge ahead with purpose and confidence feeling empowered to solve stubborn systemic problems with authentic and lasting solutions You ll gain expert invaluable insight into Why change initiatives require a form of leadership different from routine operations Why diagnosing systemic problems makes all the difference in the successful outcome of change management initiatives including changing strategic direction Why recognizing behavioral patterns such as human error prevents unnecessary friction and conflict and enhances business performance Why growing bottom line results tends to erode a business system s sustainable performance Why developing a business system s capability and capacity enhances its sustainable performance Why neither people nor technology can outperform a business system s capability and capacity Why the existence of net profits doesn t necessarily constitute success and vice versa Whether you ve been running your organization for years or you re an up and coming C suite leader a trusted advisor or financier with The Root Cause you have everything you need to help create and deliver authentic solutions to drive sustainable success for years to come
