T D Jakes Leadership Manual:

The Believer's Manual for Excellence Patrick Payne Okoronkwo, 2019-08-02 Knowing and working with God is not a sprint It is a marathon with very many dangerous twists and turns craggy and crooked at that It is getting progressively unpopular to be identified as a Christian in our present day world with its attendant challenges and extraordinary indulgences Real and valid questions are constantly agitating the minds of many right from the crises of development to the decadence of aging and dying This book is essentially a critical look at man as per who he is and his never ending search for connection with his maker It sees God as triune and also treats the trinity of man that is spirit soul and body and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God with brothers at the workplace in married life social events and many more The Believer's Manual is an attempt to critically look at the believer in terms of his coming to the understanding that he needs his maker in every area of his life It starts with getting to know his god his plans and purpose for him divine leading and direction etc It does a synopsis of temperaments and how God can use man no matter his temperament The indwelling Holy Spirit makes the difference **Integrity3 the Importance of**
