clear I can see the reef Palm trees swaying in the wind and a girl with barely a scrap of clothing on There is only one problem She is a zombie and she wants to eat me That s right My only companion is a creature with a hunger for human flesh I should bash in her brains and toss her in the ocean but I don t have a volleyball to talk to All I have is this diary and my own Zombie Wilson [The Zombie Movie Encyclopedia, Volume 2: 2000-2010](#) Peter Dendle,2012-09-18 This is a comprehensive overview of zombie movies in the first 11 years of the new millennium the most dynamic and vital period yet in the history of the zombie genre It serves not only as a follow up to its predecessor The Zombie Movie Encyclopedia McFarland 2001 which covered movies from 1932 up until the late 1990s but also as a fresh exploration of what uniquely defines the genre in the 2000s In depth entries provide critical analysis of the zombie as creature in more than 280 feature length movies from 28 countries and filmed on six continents An appendix offers shorter entries for more than 100 shorts and serials **The Wilson Chronology of Women's Achievements** Irene M. Franck,David M. Brownstone,H.M. Wilson Company,1998 This chronology is a record of women s history from ancient times to the present This title cites thousands of events and issues in women s experience in these important areas Politics Law and War Religion Education and Everyday Life Science Technology and Medicine and Arts and Literature **The Forties** Edmund Wilson,2019-11-19 From one of the greatest literary critics of the twentieth century this installment of Edmund Wilson s private notebooks covers the years of the 1940s providing a rich lens into the writer s life and the world at large Wilson turned forty five in 1940 and this volume The Forties From Notebooks Diaries of the Period shows the extent to which he was reappraising his life in the decade to follow saying goodbye to the drifting of the 1920s and the Marxism of the 1930s Published posthumously and edited by Leon Edel The Forties includes observations on his increasingly complicated family matters and covers appreciatively writers like Andre Malraux W H Auden and Max Beerbohm as well as entries from his research and travels We can see the beginnings of the masterly work of Wilson s later years the studies of the American literary and mythic past on which his reputation will surely rest Jonathan Yardley The Washington Post on The Forties [Swamp Souths](#) Kirstin L. Squint,Eric Gary Anderson,Taylor Hagood,Anthony Wilson,2020-03-04 Swamp Souths Literary and Cultural Ecologies expands the geographical scope of scholarship about southern swamps Although the physical environments that form its central subjects are scattered throughout the southeastern United States the Atchafalaya the Okefenokee the Mississippi River delta the Everglades and the Great Dismal Swamp this evocative collection challenges fixed notions of place and foregrounds the ways in which ecosystems shape cultures and creations on both local and global scales Across seventeen scholarly essays along with a critical introduction and afterword Swamp Souths introduces new frameworks for thinking about swamps in the South and beyond with an emphasis on subjects including Indigenous studies ecocriticism intersectional feminism and the tropical sublime The volume analyzes canonical writers such as William Faulkner Zora Neale Hurston and Eudora Welty but it also investigates contemporary literary works by Randall Kenan and Karen Russell the films Beasts of the Southern Wild and My Louisiana

Love and music ranging from swamp rock and zydeco to Beyoncé's visual album *Lemonade* Navigating a complex assemblage of places and ecosystems the contributors argue with passion and critical rigor for considering anew the literary and cultural work that swamps do This dynamic collection of scholarship proves that swampy approaches to southern spaces possess increased relevance in an era of climate change and political crisis

Monstrous Things Jeffrey Andrew Weinstock, 2022-11-23 An indispensable resource for students and researchers of paranormal myth and media this book explores the undead and unholy in literature film television and popular culture Following an introduction to frightful manifestations in media sections address ghosts vampires and monsters individually and each section includes a broad consideration of the ghost vampire or monster in American culture The section dedicated to ghosts examines the spectral turn of popular culture and the ghost's relation to justice and mourning with particular attention to Toni Morrison and Herman Melville In the vampires section the author considers the undead bloodsucker's relationship to anti-Semitism suicide and cinema The third section discusses monsters in relation to topics such as global pandemics terrorism mass shootings stranger danger and social otherness with attention to a range of popular culture texts including the films *IT* and *It Follows*

Resting Places Scott Wilson, 2016-09-05 In its third edition this massive reference work lists the final resting places of more than 14 000 people from a wide range of fields including politics the military the arts crime sports and popular culture Many entries are new to this edition Each listing provides birth and death dates a brief summary of the subject's claim to

fame and their burial site location or as much as is known Grave location within a cemetery is provided in many cases as well as places of cremation and sites where ashes were scattered Source information is provided **The Bite, the Breast and the Blood** Amy Williams Wilson,2018-09-18 Central to every vampire story is the undead s need for human blood but equally compelling is the human ingestion of vampire blood which often creates a bond This blood connection suggests two primal natural desires breastfeeding and communion with God through a blood covenant This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker

The Beloved Does Not Bite Debra Dudek,2017-07-06 In this new monograph author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark feared often seductive figure lingering in alleys to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop culture Dudek takes a close look at three hugely popular vampire series for young adults drawing parallels between the TV series Buffy the Vampire Slayer the Twilight Saga novels films and The Vampire Diaries TV series book series By defining a new era of vampire texts and situating these three series within this transition The Beloved Does Not Bite signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for young adults **Billboard** ,2005-01-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Remake Television* Carlen Lavigne,2014-02-27 Remakes are pervasive in today s popular culture whether they take the form of reboots re imaginings or overly familiar sequels Television remakes have proven popular with producers and networks interested in building on the nostalgic capital of past successes or giving a second chance to underused properties Some TV remakes have been critical and commercial hits and others haven t made it past the pilot stage all have provided valuable material ripe for academic analysis In *Remake Television Reboot Re use Recycle* edited by Carlen Lavigne contributors from a variety of backgrounds offer multicultural multidisciplinary perspectives on remake themes in popular television series from classic cult favorites such as The Avengers 1961 69 and The X Files 1993 2002 to current hits like Doctor Who 2005 present and The Walking Dead 2010 present Chapters examine what constitutes a remake and what series changes might tell us about changing historical and cultural contexts or about the medium of television itself *Training for Catastrophe* Lindsay Thomas,2021-03-16 A timely politically savvy examination of how impossible disasters shape the very real possibilities of our world Why would the normally buttoned down national security state imagine lurid future scenarios like a zombie apocalypse In *Training for Catastrophe* author Lindsay Thomas shows how our security regime reimagines plausibility to focus on unlikely and even unreal events rather than probable ones With an in depth focus on preparedness a pivotal emergent national security

paradigm since 9 11 she explores how fiction shapes national security Thomas finds fiction at work in unexpected settings from policy documents and workplace training manuals to comics and video games Through these texts as well as plenty of science fiction she examines the philosophy of preparedness interrogating the roots of why it asks us to treat explicitly fictional events as real Thomas connects this philosophical underpinning to how preparedness plays out in contemporary politics emphasizing how it uses aesthetic elements like realism genre character and plot to train people both to regard some disasters as normal and to ignore others Training for Catastrophe makes an important case for how these documents elicit consent and compliance Thomas draws from a huge archive of texts including a Centers for Disease Control comic about a zombie apocalypse the work of Audre Lorde and the political thrillers of former national security advisor Richard Clarke to ask difficult questions about the uses and values of fiction A major statement on how national security intrudes into questions of art and life Training for Catastrophe is a timely intervention into how we confront disasters **Willful Monstrosity**

Natalie Wilson,2020-01-16 Taking in a wide range of film television and literature this volume explores 21st century horror and its monsters from an intersectional perspective with a marked emphasis on gender and race The analysis which covers over 70 narratives is organized around four primary monstrous figures zombies vampires witches and monstrous women Arguing that the current horror renaissance is populated with willful monsters that subvert prevailing cultural norms and systems of power the discussion reads horror in relation to topics of particular import in the contemporary moment rampant sexual violence unbridled capitalist greed brutality against people of color militarism and the patriarchy s refusal to die Examining ground breaking films and television shows such as Get Out Us The Babadook A Quiet Place Stranger Things Penny Dreadful and The Passage as well as works by key authors like Justin Cronin Carmen Maria Machado Helen Oyeyemi Margo Lanagan and Jeanette Winterson this monograph offers a thorough account of the horror landscape and what it says about the 21st century world **Why Horror Seduces** Mathias Clasen,2017-09-29 From vampire apocalypses shark attacks witches and ghosts to murderous dolls bent on revenge horror has been part of the American cinematic imagination for almost as long as pictures have moved on screens But why do they captivate us so What is the drive to be frightened and why is it so perennially popular Why Horror Seduces addresses these questions through evolutionary social sciences Explaining the functional seduction of horror entertainment this book draws on cutting edge findings in the evolutionary social sciences showing how the horror genre is a product of human nature Integrating the study of horror with the sciences of human nature the book claims that horror entertainment works by targeting humans adaptive tendency to find pleasure in make believe allowing a high intensity experience within a safe context Through analyses of well known and popular modern American works of horror Rosemary s Baby The Shining I Am Legend Jaws and several others author Mathias Clasen illustrates how these works target evolved cognitive and emotional mechanisms we are attracted to horrifying entertainment because we have an adaptive tendency to find pleasure in make believe that allows us to experience negative emotions at

high levels of intensity within a safe context Organized into three parts identifying fictional works by evolutionary mode the evolution of horror evolutionary interpretations of horror the future of horror Why Horror Seduces succinctly explores the cognitive processes behind spectators need to scream
