Revelation Book 7 Trepidation due out in Jan Book 8 Impact due out in spring This is the longest book in The Zombie Chronicles so far It is almost 80 000 words My name is Dean Walters and I m eighteen years old We had saved Val Jackie and Claire with the precious vials in our possession but they weren t 100 percent effective Those who had taken the serum the so called miracle cure for zombie itis were easy enough to spot since they had glowing green eyes and were suddenly equipped with night vision that would have made the average bat jealous but that was only one side effect Much to our dismay the other side effect wasn t quite so tolerable Some cured people turned back into zombies but retained control of their reasoning logical minds virtually turning them into cannibals capable of thinking calculating stalking and killing their victims We d decided to call them hybrids and I feared that my sister my girlfriend and my potential future cousin in law were about to morph into just that Is it only a matter of time Does that happen to everyone who takes the serum or are some immune to that side effect Our only hope for answers was to go to the lab and I hoped the answers we d finally get would be honest and good news
