Fly Home, Little Bird Beverly Shellrude Thompson,2020-10-09 Fly Home

Little Bird is Beverly's memoir which focuses on the unexpected consequences of her parents becoming evangelical missionaries. The story arc includes living in a residential school spanning ten years where she was abused by the school nurse and other dorm parents. As an adult she also became a missionary. In her mid thirties she had the agency to leave the church and create a life outside evangelical communities. Beverly became an activist for reform and change in the policies and practices of reporting abuse of children in mission agencies in both the U.S. and Canada. This included holding a prayer vigil at the C.M.A.'s annual conference to put public pressure on them to investigate allegations of abuse; it worked. She has co-founded on-line Facebook groups which have many members from a plethora of mission boarding schools and agencies. And she is one of eight former MKs featured in a documentary *All God's Children*. The documentary has been widely viewed in communities of former MKs and their families as well as in churches. Perhaps the most important thread in *Fly Home* Little Bird is how with therapeutic help she changed the web of intergenerational trauma within her immediate family. **Writing**
