They Come By Night:

They Come by Night Tinnean, 2020-12-16 Imagine an earth just a bit different from ours In this world normals unknowingly share the planet with all manner of beings including vampyres most of whom rely on bagged blood which is supplemented by the blood of saviors valued individuals whose blood contains an element necessary for the survival of the species Tyrell Small has always felt different He just never knew how different On his sixteenth birthday his father reveals Ty is one such savior with the birthmark to prove it Upon learning he ll be required to feed vampyres Ty decides he s not having any of that He ll run away and make his own destiny Slipping out his second story bedroom window he finds Adam Dasani the most gorgeous man he s ever seen waiting for him on the roof Adam is reluctant to distress the young savior about to slide down the drainpipe but he s one of the vampyres Ty will one day feed Equerry to the vampire king Adam had been given the task of guarding Ty on the day he was born Because the blood of the two most powerful savior families in the shared history of vampyres and saviors runs through Ty s veins some vampyres will do anything to obtain him for themselves It will be up to Adam to keep Ty safe not only from those rogue vampyres but from others who have plans of their own for him Everyone keeps telling Ty he can t escape his destiny but he has no intention of sitting around twiddling his thumbs waiting for life to catch up with him However will something Adam inadvertently said give Ty a way to live the life he wants and keep those he loves including Adam out of danger

This is the Night They Come For You Robert Goddard, 2022-03-24 A pulse pounding breathless crime thriller perfect for fans of Anthony Horowitz s Hawthorne series Robert Galbraith s Cormoran Strike series and LJ Ross s Alexander Gregory thrillers Truly ingenious The Tablet Goddard sprinkles head turning double crossing with delightful by play between his two leads Times Fast paced beautifully crafted with some excellently drawn characters engages from start to finish Choice Magazine Goddard writes amazing novels of mystery suspense His new one is magical and the title is simply the best Stephen King _____ On a stifling afternoon at Police HQ in Algiers Superintendent Taleb coasting towards retirement with not even an air conditioned office to show for his long years of service is handed a ticking time bomb of a case which will take him deep into Algeria s troubled past and its fraught relationship with France To his dismay he is assigned to work with Agent Hidouchi an intimidating representative of the country s feared secret service who makes it clear she intends to call the shots They are instructed to pursue a former agent now on the run after twenty years in prison for his part in a high level corruption scandal But their search will lead them inexorably towards a greater mystery surrounding a murder that took place in Paris more than fifty years ago Uncovering the truth may be his responsibility but Taleb is well aware that no one in Algeria wants to be reminded of the dark deeds carried out in the struggle for independence or in the violence that has racked the nation since Before long he will face a choice he has long sought to avoid between self preservation and doing the right thing And ultimately the choice may not even be his to make The new novel from Robert Goddard **THIS IS THE DAY THEY DREAM OF** is available for pre order now
