The Batali Brothers Cookbook:

The Batali Brothers Cookbook Leo Batali, Benno Batali, 2013-05-14 Inspired by their dad's fiftieth birthday and their family's love of food Benno and Leo Batali prove that you're never too young to start cooking like a grown up With additional recipes from Mario for Batali family favorites The Batali Brothers Cookbook is a must have both for young chefs and seasoned pros alike

Representing Italy Through Food Peter Naccarato, Zachary Nowak, Elgin K. Eckert, 2017-03-09 Italy has long been romanticized as an idyllic place Italian food and foodways play an important part in this romanticization from bountiful bowls of fresh pasta to bottles of Tuscan wine While such images oversimplify the complex reality of modern Italy they are central to how Italy is imagined by Italians and non Italians alike Representing Italy through Food is the first book to examine how these perceptions are constructed sustained promoted and challenged Recognizing the power of representations to construct reality the book explores how Italian food and foodways are represented across the media from literature to film and television from cookbooks to social media and from marketing campaigns to advertisements Bringing together established scholars such as Massimo Montanari and Ken Albala with emerging scholars in the field the thirteen chapters offer new perspectives on Italian food and culture Featuring both local and global perspectives which examine Italian food in the United States Australia and Israel the book reveals the power of representations across historical geographic socio economic and cultural boundaries and asks if there is anything that makes Italy unique An important contribution to our understanding of the enduring power of Italy Italian culture and Italian food both in Italy and beyond Essential reading for students and scholars in food studies Italian studies media studies and cultural studies

Savoring Gotham, 2015-11-11 Savoring Gotham traces the rise of New York City's global culinary stardom in 570 accessible yet well researched A Z entries From the Native Americans who arrived in the area 5 000 years before New York was New York and who planted the maize squash and beans that European and other settlers to the New World embraced centuries later to Greek diners in the city that are arguably not diners at all this is the first A Z reference work to take a broad and historically informed approach to NYC food and drink
