Beyond the Legacy of the Missionaries and East Indians Jerome Teelucksingh, 2019-11-26 In *Beyond the Legacy of the Missionaries and East Indians* Jerome Teelucksingh offers a revisionist perspective of the role of the Presbyterian Church in Trinidad. He is particularly interested in social mobility as regards the Indo Caribbean diaspora in the era following the First World War. He argues that the Presbyterian Church in the Caribbean was particularly interested in women's rights. As such he examines the dynamic between local expertise and Canadian missionary work in such social uplift processes.

Ottawa Minaway, 1937-04 *The ABCs of Autism in the Classroom* Wendela Whitcomb Marsh, 2018-06-15 What's the biggest challenge facing teachers today? Behavior. And which students present the most baffling and unique behavior problems? Our awesome kids on the autism spectrum. We love them but it can be difficult to understand and deal with their challenging behaviors. But behavior analysts aren't in the classroom; teachers are. And most teachers can't call a behavior analyst every time a behavior problem crops up. Even when they do call in a behavior analyst, they might not understand all that talk about the discriminative stimulus and the conditioned reinforcer. It's all so dry and confusing. Teachers don't have time to wade through all that jargon; they're too busy teaching. So what's a teacher to do when a student throws a chair or bites her hand or refuses to work? It's up to teachers to figure out solutions before the behavior gets worse. They need help. *The ABCs of Autism in the Classroom: Setting the Stage for Success* was written by a Board Certified Behavior Analyst who was also a teacher for many years as well as an autism mom. Here you will find evidence-based research supported behavioral tools presented in teacher-friendly language. You'll meet a virtual village of students with problem behaviors you might find in your own classroom. You'll also read stories shared by kids and adults on the autism spectrum in their own words.
