were real As time goes on Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart But Mr Thorne may have yet another secret in store I Married a Billionaire Lost and Found When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country she never would have guessed they d actually stay together But over a year later she s still happily married to the slightly eccentric maddeningly attractive Daniel As he begins to come out of his shell and turn into the figurehead that his growing technology company needs Maddy finds herself dealing with a whole new set of problems And despite his newfound openness he s still keeping secrets Even from her But despite her misgivings and the ever present prattle of journalists really Maddy can t complain Then a frantic late night phone call changes everything Daniel has been accused of illegal insider trading His assets frozen he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out Maddy wants to support him but it seems all Daniel wants to do is crawl back into his shell In the midst of the chaos Maddy receives an offer to display her drawings at one of the most influential galleries in the city Pulled in two directions even as her life crashes down around her will Maddy allow Daniel to keep pushing her away or will she find a way to pull him back I Married a Billionaire The Prodigal Son Writing billionaire tech mogul Daniel Thorne s official biography is no small task His wife Maddy isn t quite sure how it fell on her shoulders but she s not exactly complaining It s given her a rare opportunity to learn about the details of Daniel s life that he s never shared with her before After a rocky beginning their relationship has finally settled into something comforting and secure After a while Maddy begins to reconsider her once staunch decision not to have children Then one night a ghost from Daniel s past appears His father believed to be dead has come back in hopes of repairing their relationship Daniel is devastated by the years long deception and suspicious of his father s motives in reappearing after so much time Old Mr Thorne has his reasons for disappearing but how can he possibly repair a relationship that s been so badly fractured by distance and lies Meanwhile Maddy gets some unexpected news of her own and she realizes she must find a way to reach her husband and his father to knit them all together into a family again
