The Black Dutchman One:

Black Bart One Thomas S. LaLumiere, 2012-04 Life was good for former Marine Lieutenant David LaSalle and his wife Stacy as they brought to reality their dream of living on a yacht in Ft Lauderdale But a downturn in the economy and the loss of a major contract for David's network engineering business threatened to tear apart the world they created for themselves A chance encounter with a DEA investigation gives LaSalle access to sensitive information about drug deals in Miami's high intensity drug trafficking area and he hatches a plan along with four of his friends to embark on a lucrative venture of privately interdicting a major drug transaction out on the open waters of the Gulf of Mexico The plan is a success but it all comes unraveled when the DEA discovers their activities Instead of arresting the group the government recruits them to do jobs that regular law enforcement cannot do They go from being modern day pirates to modern day privateers but unknown to LaSalle or any of the others the government has an ulterior motive **Black Bart One** is a thrilling ride through the seedy underbelly of the drug trade and the intricacies of government politics

Medieval Arms and Armour Ralph Moffat, 2022 Authoritative reference guide using the documents in which arms and armour first appeared to explain and define them A substantial and impressive piece of scholarship one that will serve scholars and enthusiasts of medieval arms and armour very well indeed Dr Robert W Jones Franklin and Marshall College Medieval arms and armour are intrinsically fascinating From the smoke and noise of the armourer's forge to the bloody violence of the battlefield or the silken panoply of the tournament weapons and armour and those who made and bore them are woven into the fabric of medieval society This sourcebook will aid anyone who seeks to develop a deeper understanding by introducing and presenting the primary sources in which these artefacts are first mentioned Over a hundred original documents are transcribed and translated including wills and inventories craft statutes chronicle accounts and challenges to single combat The book also includes an extensive glossary lavishly illustrated with fifty two images of extant armour and weapons from the period and contemporary artistic depictions from illuminated manuscripts and other sources This book will therefore be of interest to a wide audience from the living history practitioner crafter and martial artist to students of literature military history art and material culture
